Misty Water Colored Memories Of The Way We Were.

Smiles We Gave

Of the
Way We Were.

"You have been called by God to this ministry and you have been given the grace of teaching for the sake of those entrusted to your responsibility."

St. John Baptist de La Salle

We, the Spirit staff of 1981, gratefully dedicate this book to all of the Brothers of the Christian Schools, especially those at our school this year, who, in sharing their time, have helped to make San Joaquin Memorial what it is today. Thank you for your gift to us.

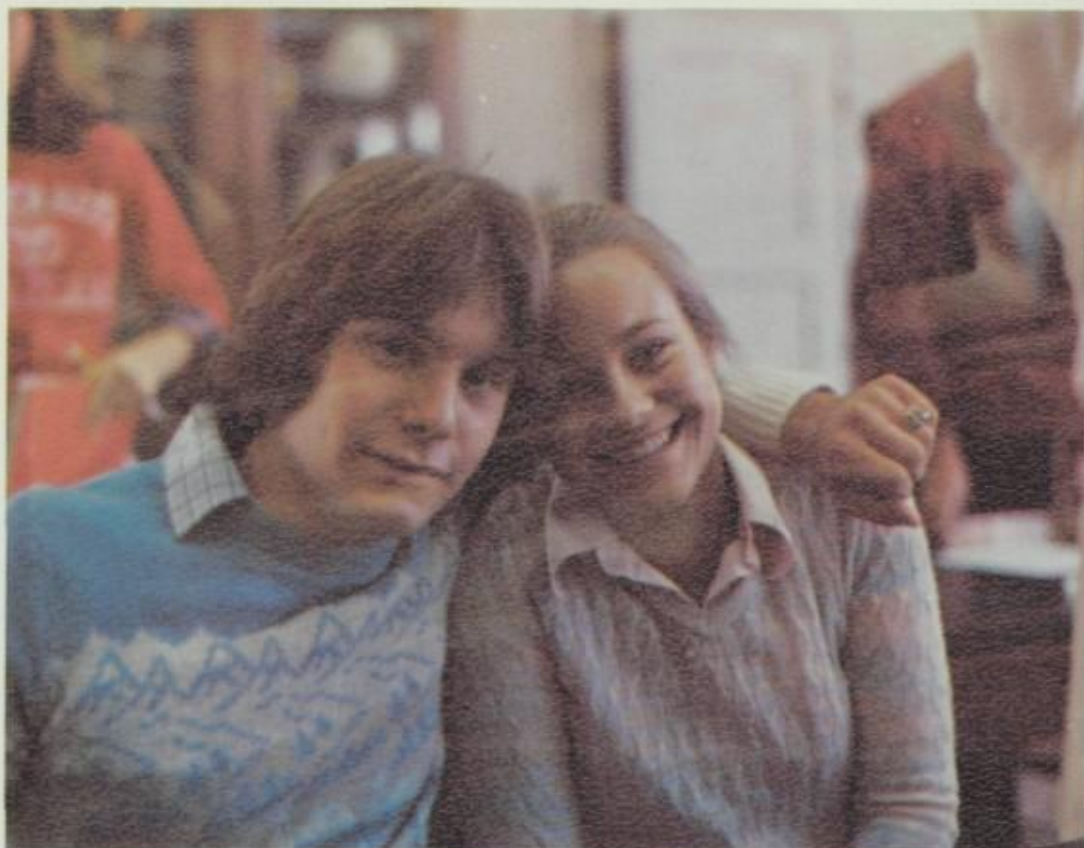

Can It Be That It Was
All So Simple Then Or
Has Time Rewritten
Every Line? If We Had
The Chance To Do It All
Again, Tell Me ...
Would We? Could We?

Memories May Be
Beautiful

Too Painful To
Remember We
Simply Choose
To Forget.

So It's Laughter ...

As the days go by, the events of the year, no matter how important they were, become memories. Time passes, and we look back and recall all of the things that were part of our lives at San Joaquin Memorial-the friends, classes, games, clubs, and activities.

We, the Spirit Staff of 1981, hope that this book captures the memories of the way we were at SJM, and gives a picture of the spirit that everyone shared.

JUNIORS

The Juniors are waiting for next year when we're seniors, but for now we're making the best of second place. It took some time to get accustomed to upper division status; we found that there's more to do than ever with retreats, the Junior Class Ring Ceremony, the Prom, and some advanced academic courses. Even though graduation is still a year away, we still have to consider what we want after high school. Junior year is an important time to grow and mature as well as have fun.

We have to wait another year for off-campus lunch, the senior parking lot, and other "extras", but we don't complain. There's a time for everything. Everyone else has to wait their turn, but when 1982 has its time, we'll be ready.

Junior Class Officers: Mary Fitzsimmons, Treasurer; Stuart Johnson, Vice Pres.; Ann Wathen, Secretary; Marci Dutra, Pres.

The Way We Learned . . .

RELIGION

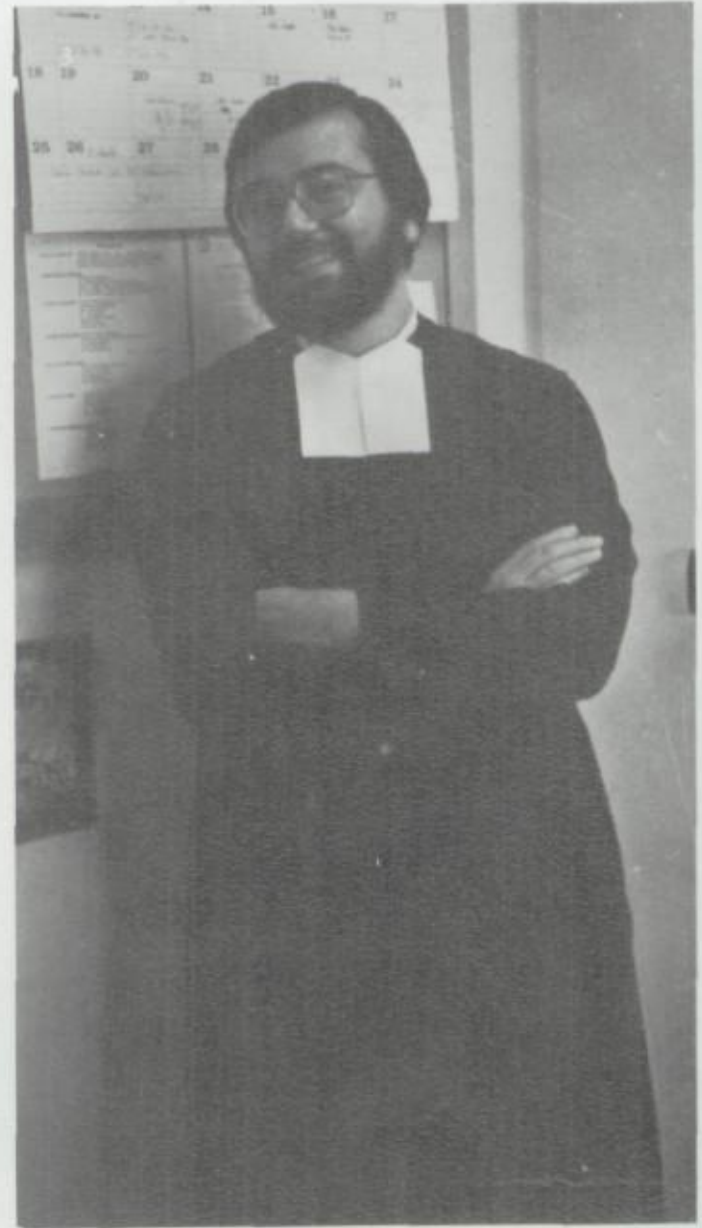

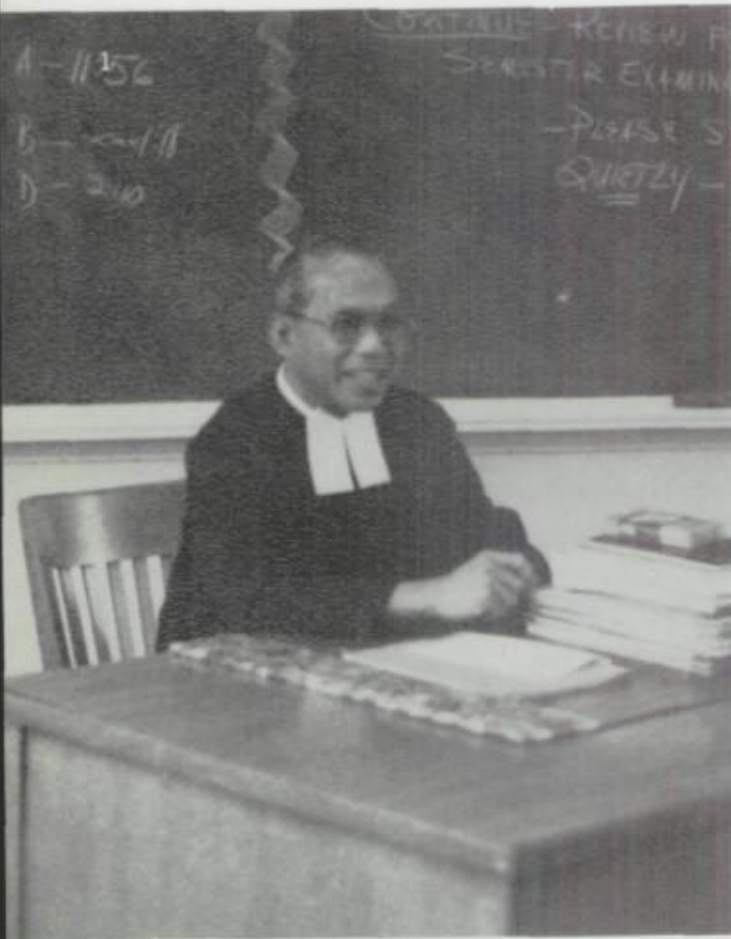

Without a doubt, religion is the core of San Joaquin Memorial's existence, since it not only prevails in the classroom but on campus as well. The dedication of the Christian Brothers, the Sisters of the Holy Cross, and other members of the faculty helps to provide education and growth in the Christian faith through studies and activities. Courses in religion include topics ranging from Church History to Contemporary Moral Issues, with the latest class being the Church in the Arts.

The religion department consists of a well-equipped faculty: Br. Donald (chairman), Brs. Antonio, Warren, and Daniel, Miss Regina Harry, Mr. Wilson, Mr. Mahaney, Fr. Rod Craig and Fr. Pat McCormick. New additions to the staff include Mr. James O'Connor, Brs. Michael, Thomas and Daniel Kerns. With a good basis behind it, Memorial's religion program has had a good year.

1. Members of the Religion Department: Mr. Wilson, Mr. O'Connor, Br. Donald (chairman), Br. Michael and Mr. Mahaney.
2. Hey, man, this religion is heavy stuff.
3. Mr. Mahaney and Br. Michael . . . dancing buddies.
4. Mr. Wilson is well liked by his students.
5. Miss Harry takes the time to further explain the problem.
6. Mr. O'Connor presses Father Craig for elbow room.
7. Now where did I put my sombrero?
8. Your dog did what with your homework?

RELIGION

1.Br. Antonio finds teaching religion to be a laughing matter. 2. "Who taught me?" 3. "Okay, Kiddies . . ." 4.You must have copied the answers in the wrong order. 5.Mr. Wilson secretly observes the activities of his religion class.

ENGLISH

6.The way to build your vocabulary is to read, read, read! 7.Sr. Barbara can't believe what she just saw. 8.Our illustrious English staff. 9.It's just been one of those days. 10.Miss Berberian finds serenity in her English class.

English

1. Miss Berberbian counts her students to make sure she has the right number.
2. Sr. Noel explains the fundamentals of the English Language.
3. Mrs. Rauscher explains the basics of Edgar Allen Poe.
4. Mr. Harris contemplates the finer points of Boo Radley.
5. Mr. Dupertuis corrects people on their English outside the class room.

Readin', writin', and studyin' hard kept English students busy. Freshmen and Sophomores received an introduction to literature, and also studied grammar and vocabulary. Juniors worked in American Literature, learning the important contributions of native authors to international poetry, drama, and prose. Seniors had the opportunity to select their classes from a group of courses ranging from Creative Writing to studies in Greek Drama and Shakespeare.

Other courses were offered, adding variety and flexibility for individuals with special interests. Journalism provided students with the chance to test their skills as newspaper writers, as well as enabling them to work on the school publication. Fiction Writing was available for potential authors or those just curious about the art of composing a story. Preparing students for college was Honors 12, an advanced class of composition study and practice.

The busy staff of the English Department consisted of Mrs. Elizabeth Nahigian, department chairperson, Miss Susan Berberian, Mr. Dennis DuPertuis, Mrs. Jeanette Frye, Bro. Daniel Kern, Sr. Barbara, Miss Esther Gutierrez, Mr. Michael Harris, Sr. Noel Marie, Mrs. Frances Rauscher, Ms. Camilla Rousch, and Sr. Virginia Marie.

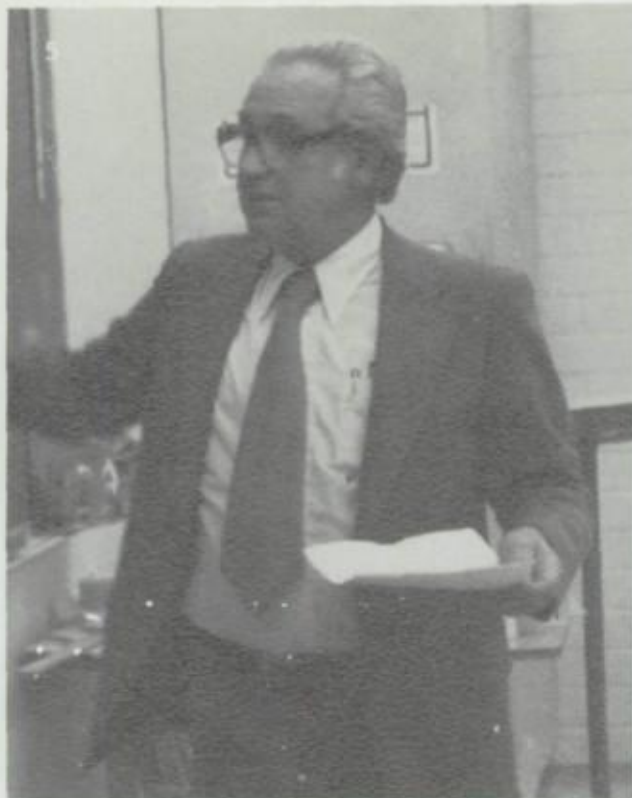

1. Br. Daniel listens intently to a student's report.
2. Mrs. Rauscher listens to a student's question.
3. You mean we get Monday off?
4. You mean you do not know Jerome Shostak?

Mark Hansen

1. The Math Department
2. Mr. Esquivel decides to leave his class
3. Freshman enjoy math class.
4. Freshman try to enjoy their class.
5. Mr. Kliegl checks homework to make sure it's right.
6. The point lies in the circle, teaches Miss Harry.
7. Miss Harry is fed up with teaching?
8. Mr. Dodd doesn't understand her answer.
9. How am I suppose to know that answer, exclaims Mr. Edquivel!

Since most students found that theorems, equations and proofs were not as easy as they looked, the teachers of the Math Department aimed to clarify things as much as possible. Department head Regina Harry hoped to stress the importance of math and make students realize that the logic learned can be applied to anything. She taught Algebra I and instructed seniors in Calculus, the newest course in this department.

The basics of Algebra and Geometry were taught by Mr. Thomas Dodd, Mr. Ramon Esquivel, Mr. Dave Warmerdam and Mr. Kliegl. Upper division math including Math Analysis, and Trib, were instructed by Sr. Jean Francis C.S.C. and Br. Daniel.

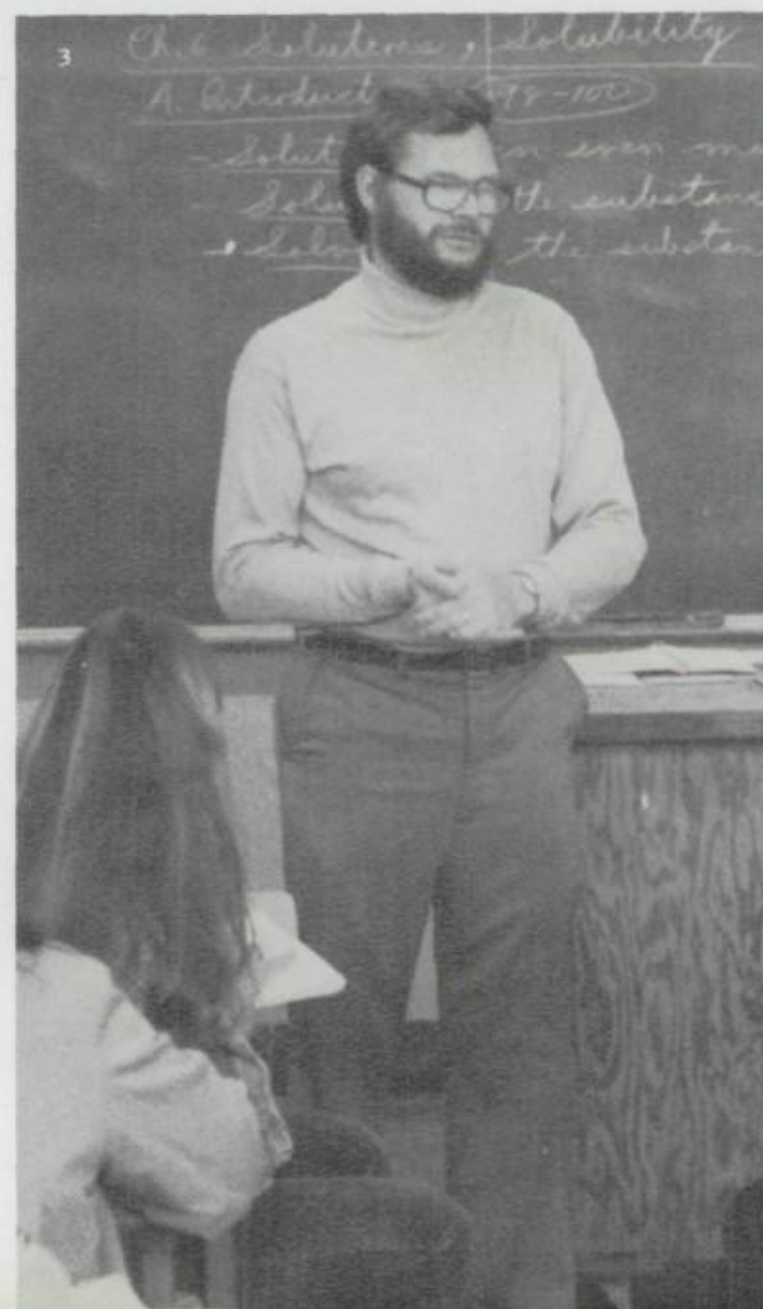

SCIENCE

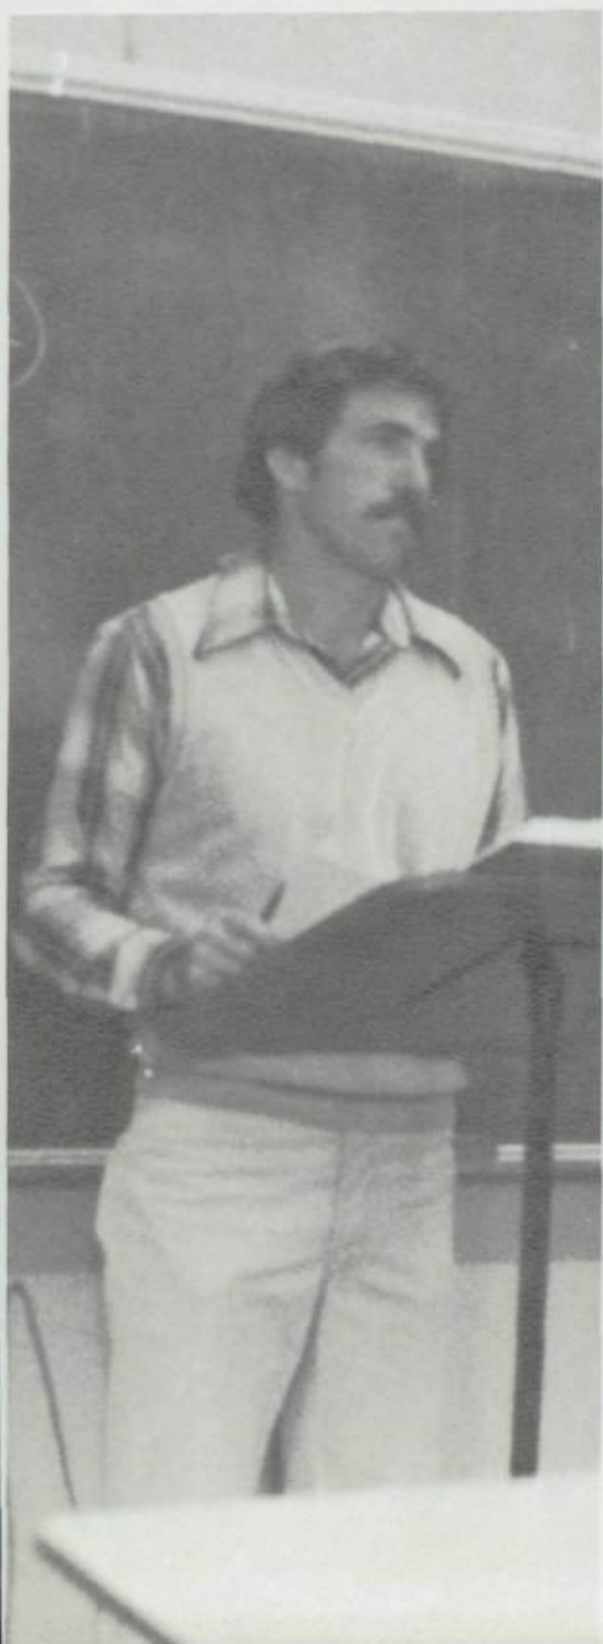

Through the variety of science classes offered, the Science Department hopes to instruct students in a suitable manner that prepares them for college. This education is to be in a Christian atmosphere, teaching the importance of logic, self-discipline, and the balance of nature to daily life. The classes offered include: Biology taught by Mr. John Eckman, Mr. Mike McClurg, and Mr. Ron Moore; Chemistry, Electronics, and Basic Electronics taught by the department chairman Mr. Marvin Enns; Anatomy/Physiology taught by Mr. Eckman; Physics taught by Mr. Barry Warmerdam.

In knowing about God's creation it is hoped that we will maintain its beauty and harmony.

Social Studies

The Social Studies Department, headed by Bro. Warren, worked toward teaching the fundamentals of government and encouraged students to take interest in this country's history. Whether it was Civics, American History, Current Events, or Psychology, students discovered new areas of their community. Seniors had the opportunity to question Congressman Chip Pashayan, and take the role of senators in model Congress sessions. Also, this year's election gave many students a chance to see the workings of politics.

Bro. Warren's busy staff included Mr. Barry Warmerdam, who taught Civics and American History, as did Miss Ann Hebert, Current Issues teacher Mr. Mike McClurg, and Psychology instructor Mr. Kevin Johns.

4. Mr. O'Connor explains the pronunciation of an umlaut.

Instructing students in the language and introducing them to the culture of a foreign country were the major objectives of this department, which offers classes in French, German, and Spanish. The emphasis on foreign languages not only provided insights into another country's culture, but also often helped students strengthen their understanding of English. The department helped prepare students for college courses in foreign languages, and gave them skills which can be useful for job placement.

Mr. Efren Diaz, department chairman, instructed students in Spanish II and III-IV, while Sister Anna Therese, C.S.C., and Bro. Antonio, F.S.C. taught Spanish I. Classes in first and fourth year German were led by Mr. James O'Connor, with German II and III taught by Mr. Michael Harris. Finally, French was studied with Miss Cathy Beltramo and Sr. Anne Therese.

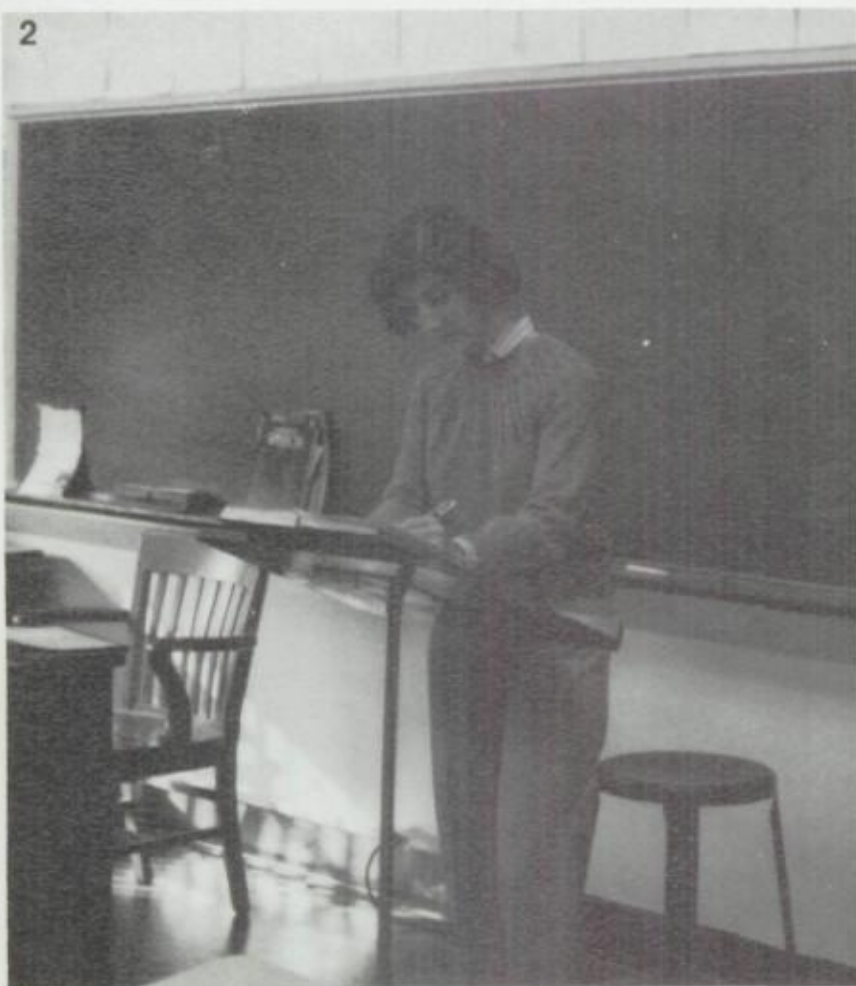

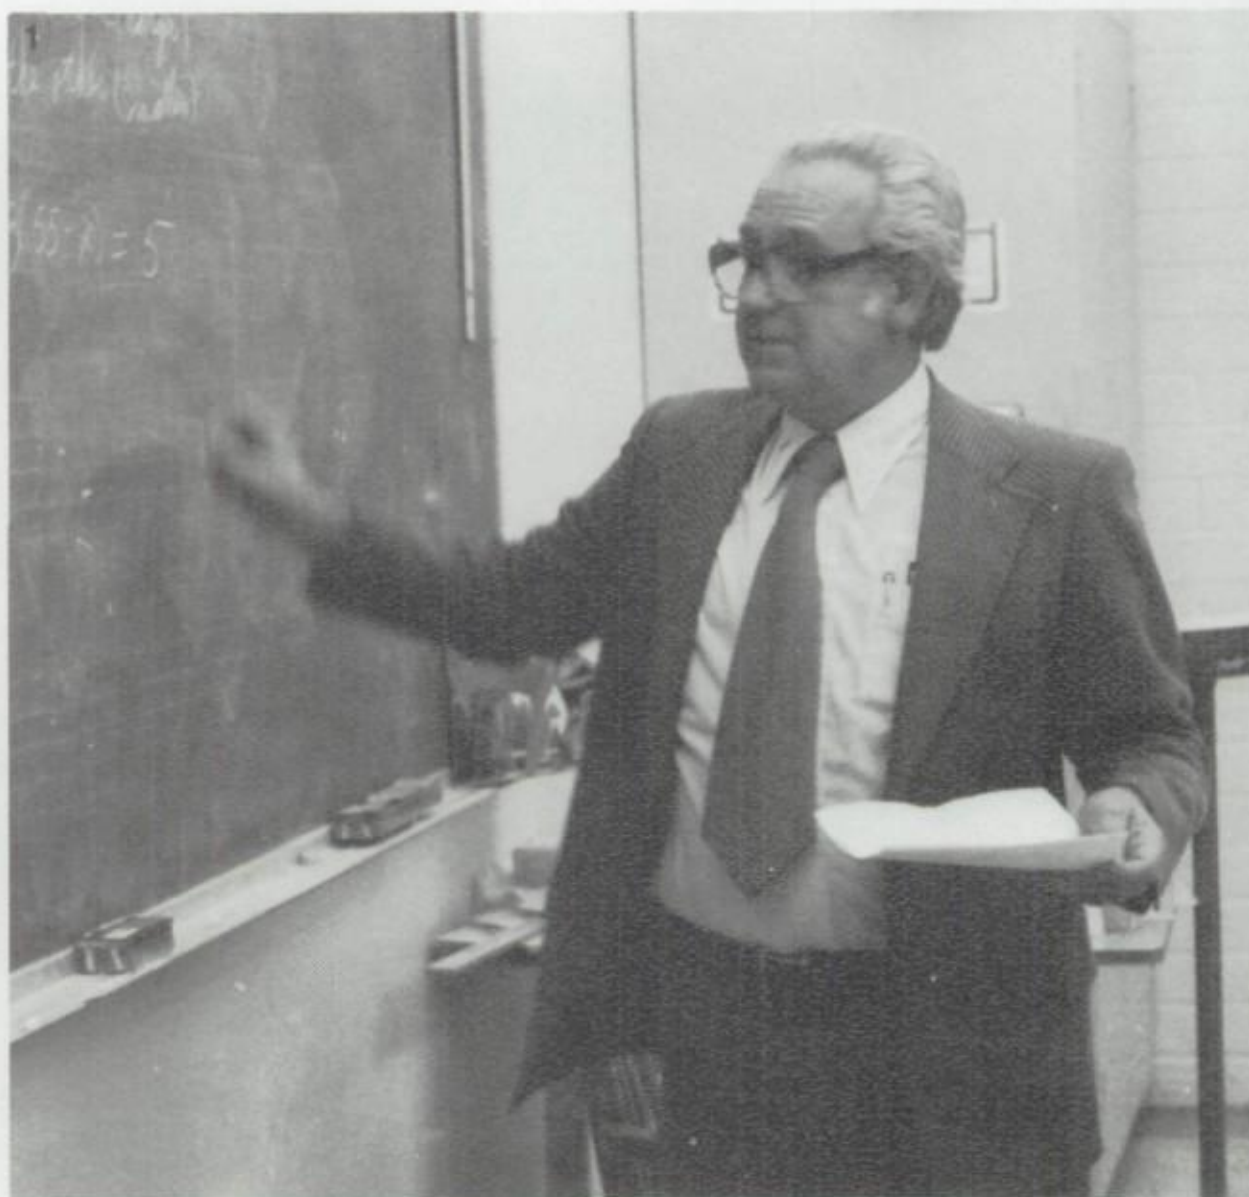

For the first time, all of these classes had a corresponding club, which gave students a chance to use their second language in other ways such as planning masses to singing Christmas carols.

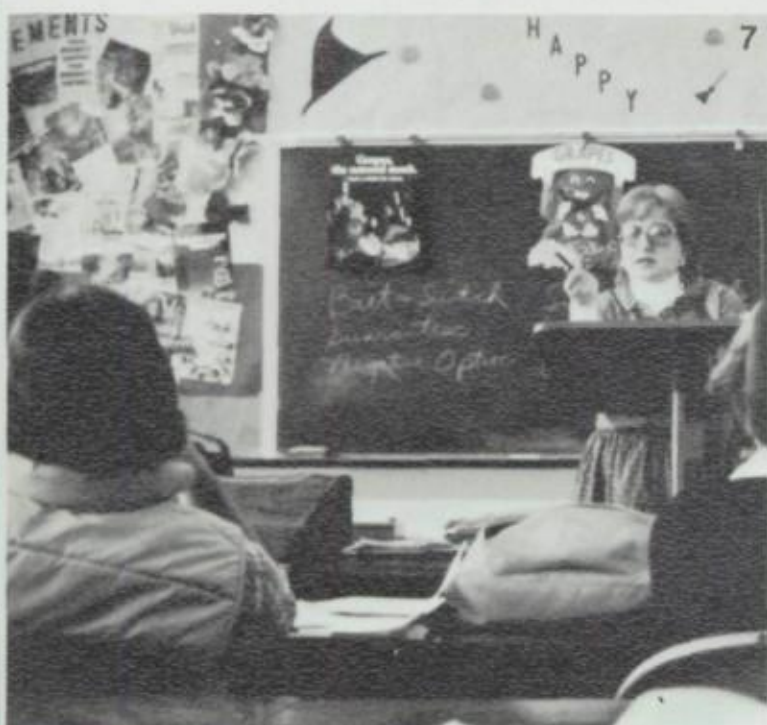

1. A rare grin from Brother Antonio.
2. Mr. Diaz enjoys a student response to his question.

Business

The Business Department focused on preparing students for vocations in business and training them in basic office skills. Classes that included typing, shorthand, office practice, accounting, and business math trained students in efficient study and work habits that would aid them in future ventures. An increased interest in business expanded the department, and the addition of new and better machines improved the quality of work.

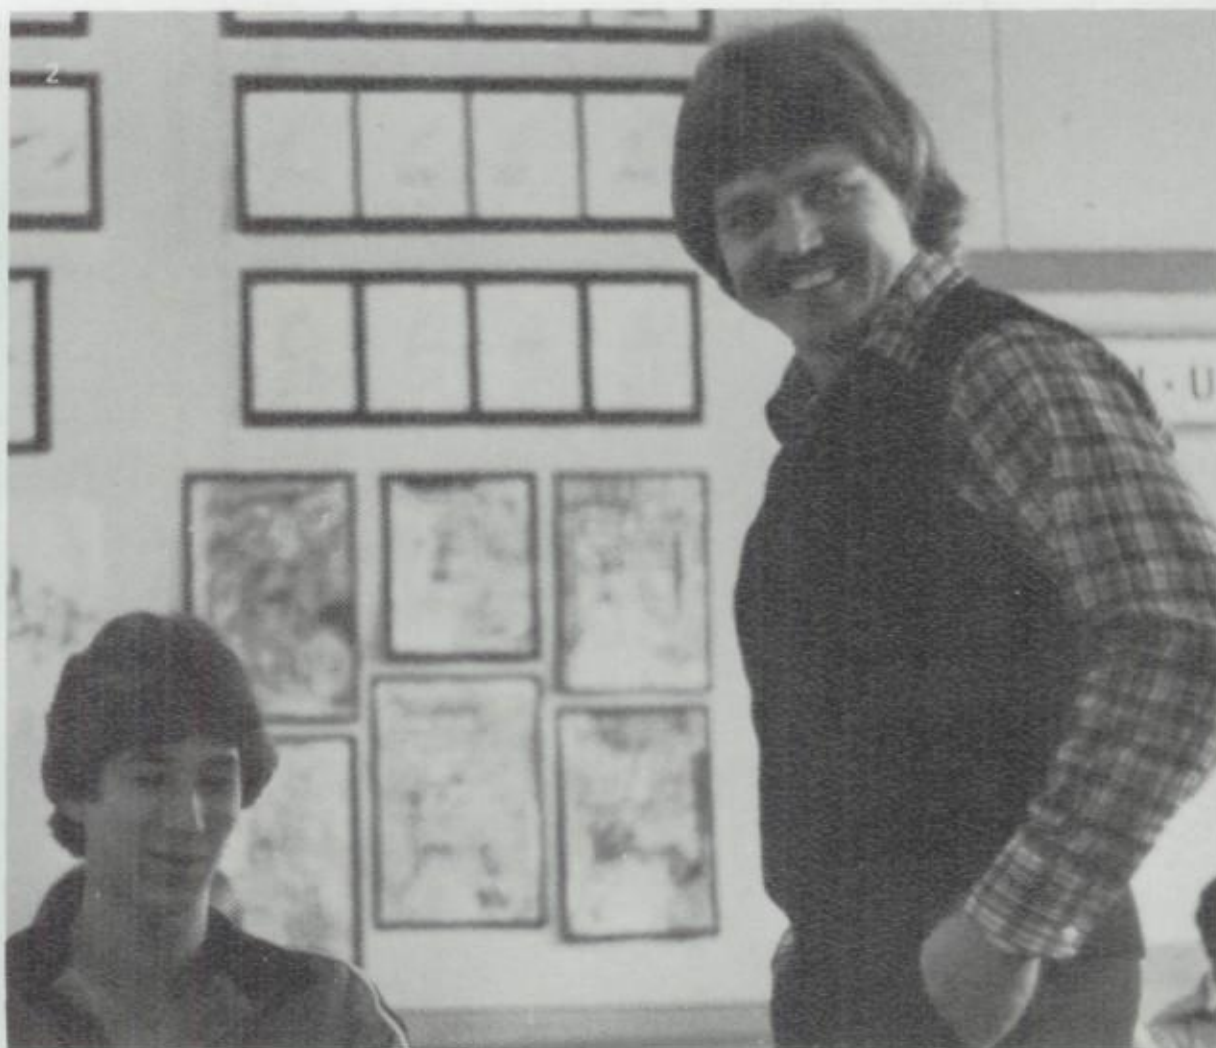

The faculty included Mr. Vincent Kliegl (department chairman), Miss Susan Emerzian, Miss Susan Berberian, and Mrs. Nancy Ferguson. By requiring constant practice and concentration, these teachers gave business hopefuls a taste of things to come.

Fine Arts

According to Mr. James O'Connor, department chairman, the Fine Arts Department and the courses it offers provide a necessary part of a person's growth. Some knowledge of the arts is inherent in everyone, and the department develops this knowledge and the talents of the students in the art classes. This understanding leads to a deeper appreciation of man's ability to express himself through art.

Instruction in music is provided by Mr. O'Connor, who teaches Band, Beginning Band, Auxiliary Band, and Chorus. Mr. DuPertuis teaches stage history and forms of acting in his Drama courses. Drawing is taught by Mr. Kenneth Slaughter and Ms. Camilla Roush, who also teaches Arts and Crafts. Mr. Vince Kliegl teaches Mechanical Drawing, and Miss Esther Gutierrez instructs Yearbook Publication. Bro. Warren Stewart teaches Gymnastic Choreography.

HOME ECONOMICS

2

The Home Economics department focused on preparing students for life after high school. Department Chairpersons Mrs. Cook and Mrs. Ferdinandi headed a busy curriculum of classes which taught everything from sewing to money management. Teen Living, offered to lower division students, provided lessons in needlepoint, cooking, and child development to name only a few topics. The Bachelor and Family Living class explored areas of adult life such as nutrition, family economics, personal, family and community relations, and vocational guidance. Clothing I, II, and III skills students in the art of sewing. All the courses left those who participated with knowledge that they can use in the future to help better an adult life-style.

The office members consist of: Lucy Gabaldron, Roger Gregory, Mrs. Kitchen, Mrs. Oliver, Mrs. Castro and Mrs. Yantis who left at the semester and was replaced by Mrs. Miller.

The Maintenance is headed by Br. Michael James and Joe Brengetto, and includes Richard Esparza, Raymond Gabaldron, Paul Patrick and Sammy Sills. The Cafeteria staff consists of Francis Arriet, Maureen Kilcoyne, Betty Hockderffer and Mrs. Martinez.

Under the leadership of first-year coach, Mike McClurg, the Panthers endured another winning yet heart-breaking season. Sporting a 7-3 overall record, including 5-2 in league. SJM, losing the coin toss, was knocked out of play-off contention. Beset by injuries the whole season, the Panthers remained strong with help off the bench. Although disappointing, the season gave the team the chance to prove who really was Number One!

Cubs Suffer Rough Season

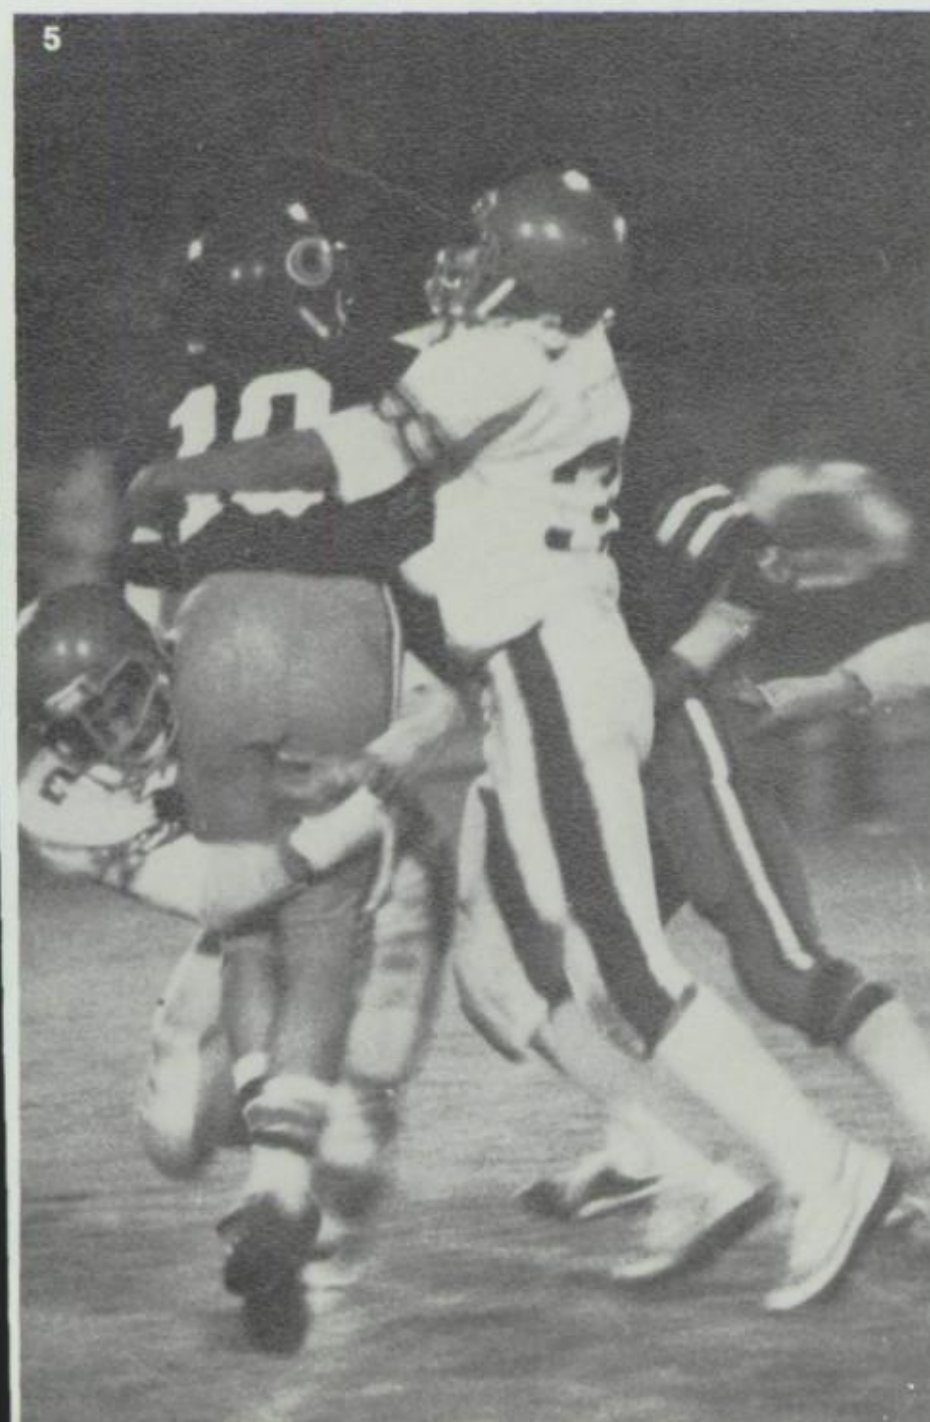

The SJM J.V. Football team experienced a very rough season. Under second-year coach Joe Gutilla, the Cubs had an overall record of 3-7, with 2-5 in league. Injuries and key players being moved up to Varsity really hurt the team. In their three victories, the J.V.'s showed a great deal of promise. Outstanding players included Matt Kay, Tom Anderson, Matt Leonard, and Steve Carr.

Our Varsity Volleyball team consisted of twelve dedicated players this year. First setter, Joy Moreno, led the team with her calm, enthusiastic attitude, and outstanding team spirit. Joy and second setter, Kathy Foraker, shared the position of captain. Two other seniors held spiking spots on the front row throughout the season. They were Anne Frye and Mary King, two tall hitters essential to the Panthers' offense. Six juniors joined the squad, to make up half the team. Robin Moreno and Janey McGuire became dependable alternate setters, back row players and servers. Cindy Crom, the group's first hitter, excelled on the court during many of the matches. Mimi Trouy and Pat Danks were defensive back row players; Diane Duprey played the net as a hitter. The two youngest members of the squad were Kalen Wright, freshman, and Trish Vergo, sophomore. The team finished second in their league and went to the quarter-finals and lost a hard fought match to Garces. The overall season record was 13-10, the league record, 9-3. Even though all goals of the team were not fulfilled, they felt they had a great season.

Playing with great teamwork and determination the 1980-81 Junior Varsity Volleyball team was in first place in the CSL for most of the season. However, the Panthers couldn't put it together for the last three games. They lost three close matches, finishing with an overall season record of 10 wins and 4 losses.

The outstanding players were: sophomore and co-captain Jane Danks, sophomore and co-captain Marissa Prandini, and freshman setter Judy Hatch.

Harriers Take Off Again

This was the first cross-country team SJM has had in three years. The team was brought together by first year coach David Warmerdam. They had excellent runners that placed high in many meets, but due to the lack of participants they did not score well as a team. Coach Warmerdam is expecting a lot more runners next year, so they will do better in the big meets. Seniors Mario Casillas, Cindy Gretch, and Gene Warmett, juniors Susie Harris and Grant Stockton, sophomores Pat Delaney, Mark Foraker, and Brad Kendall, freshmen Mark Arlando and Michelle Venuela made up the team.

The Junior Varsity Boys soccer record this year was 2 wins, 8 losses, and 2 ties. It might not have been successful record-wise, but the experience that the team received will overshadow that mark. The majority of their games were close, and their victories were against Madera, 10-1, and Sanger, 3-1. Leading players included Brad Kendall, David Huerta, and Dusty Smit. These young men were coached by Mr. Robin Smit.

Though only in their sophomore year of existence, the Lady Panthers soccer team has already established a name for themselves in the NYL. More important than placing third behind powerhouses Hoover and McLane, the lady booters chalked up a winning record of 8 wins, 5 losses, and 5 ties with a team consisting of many underclasswomen. The person in charge of this energetic group of young women is Coach Pete Kauls.

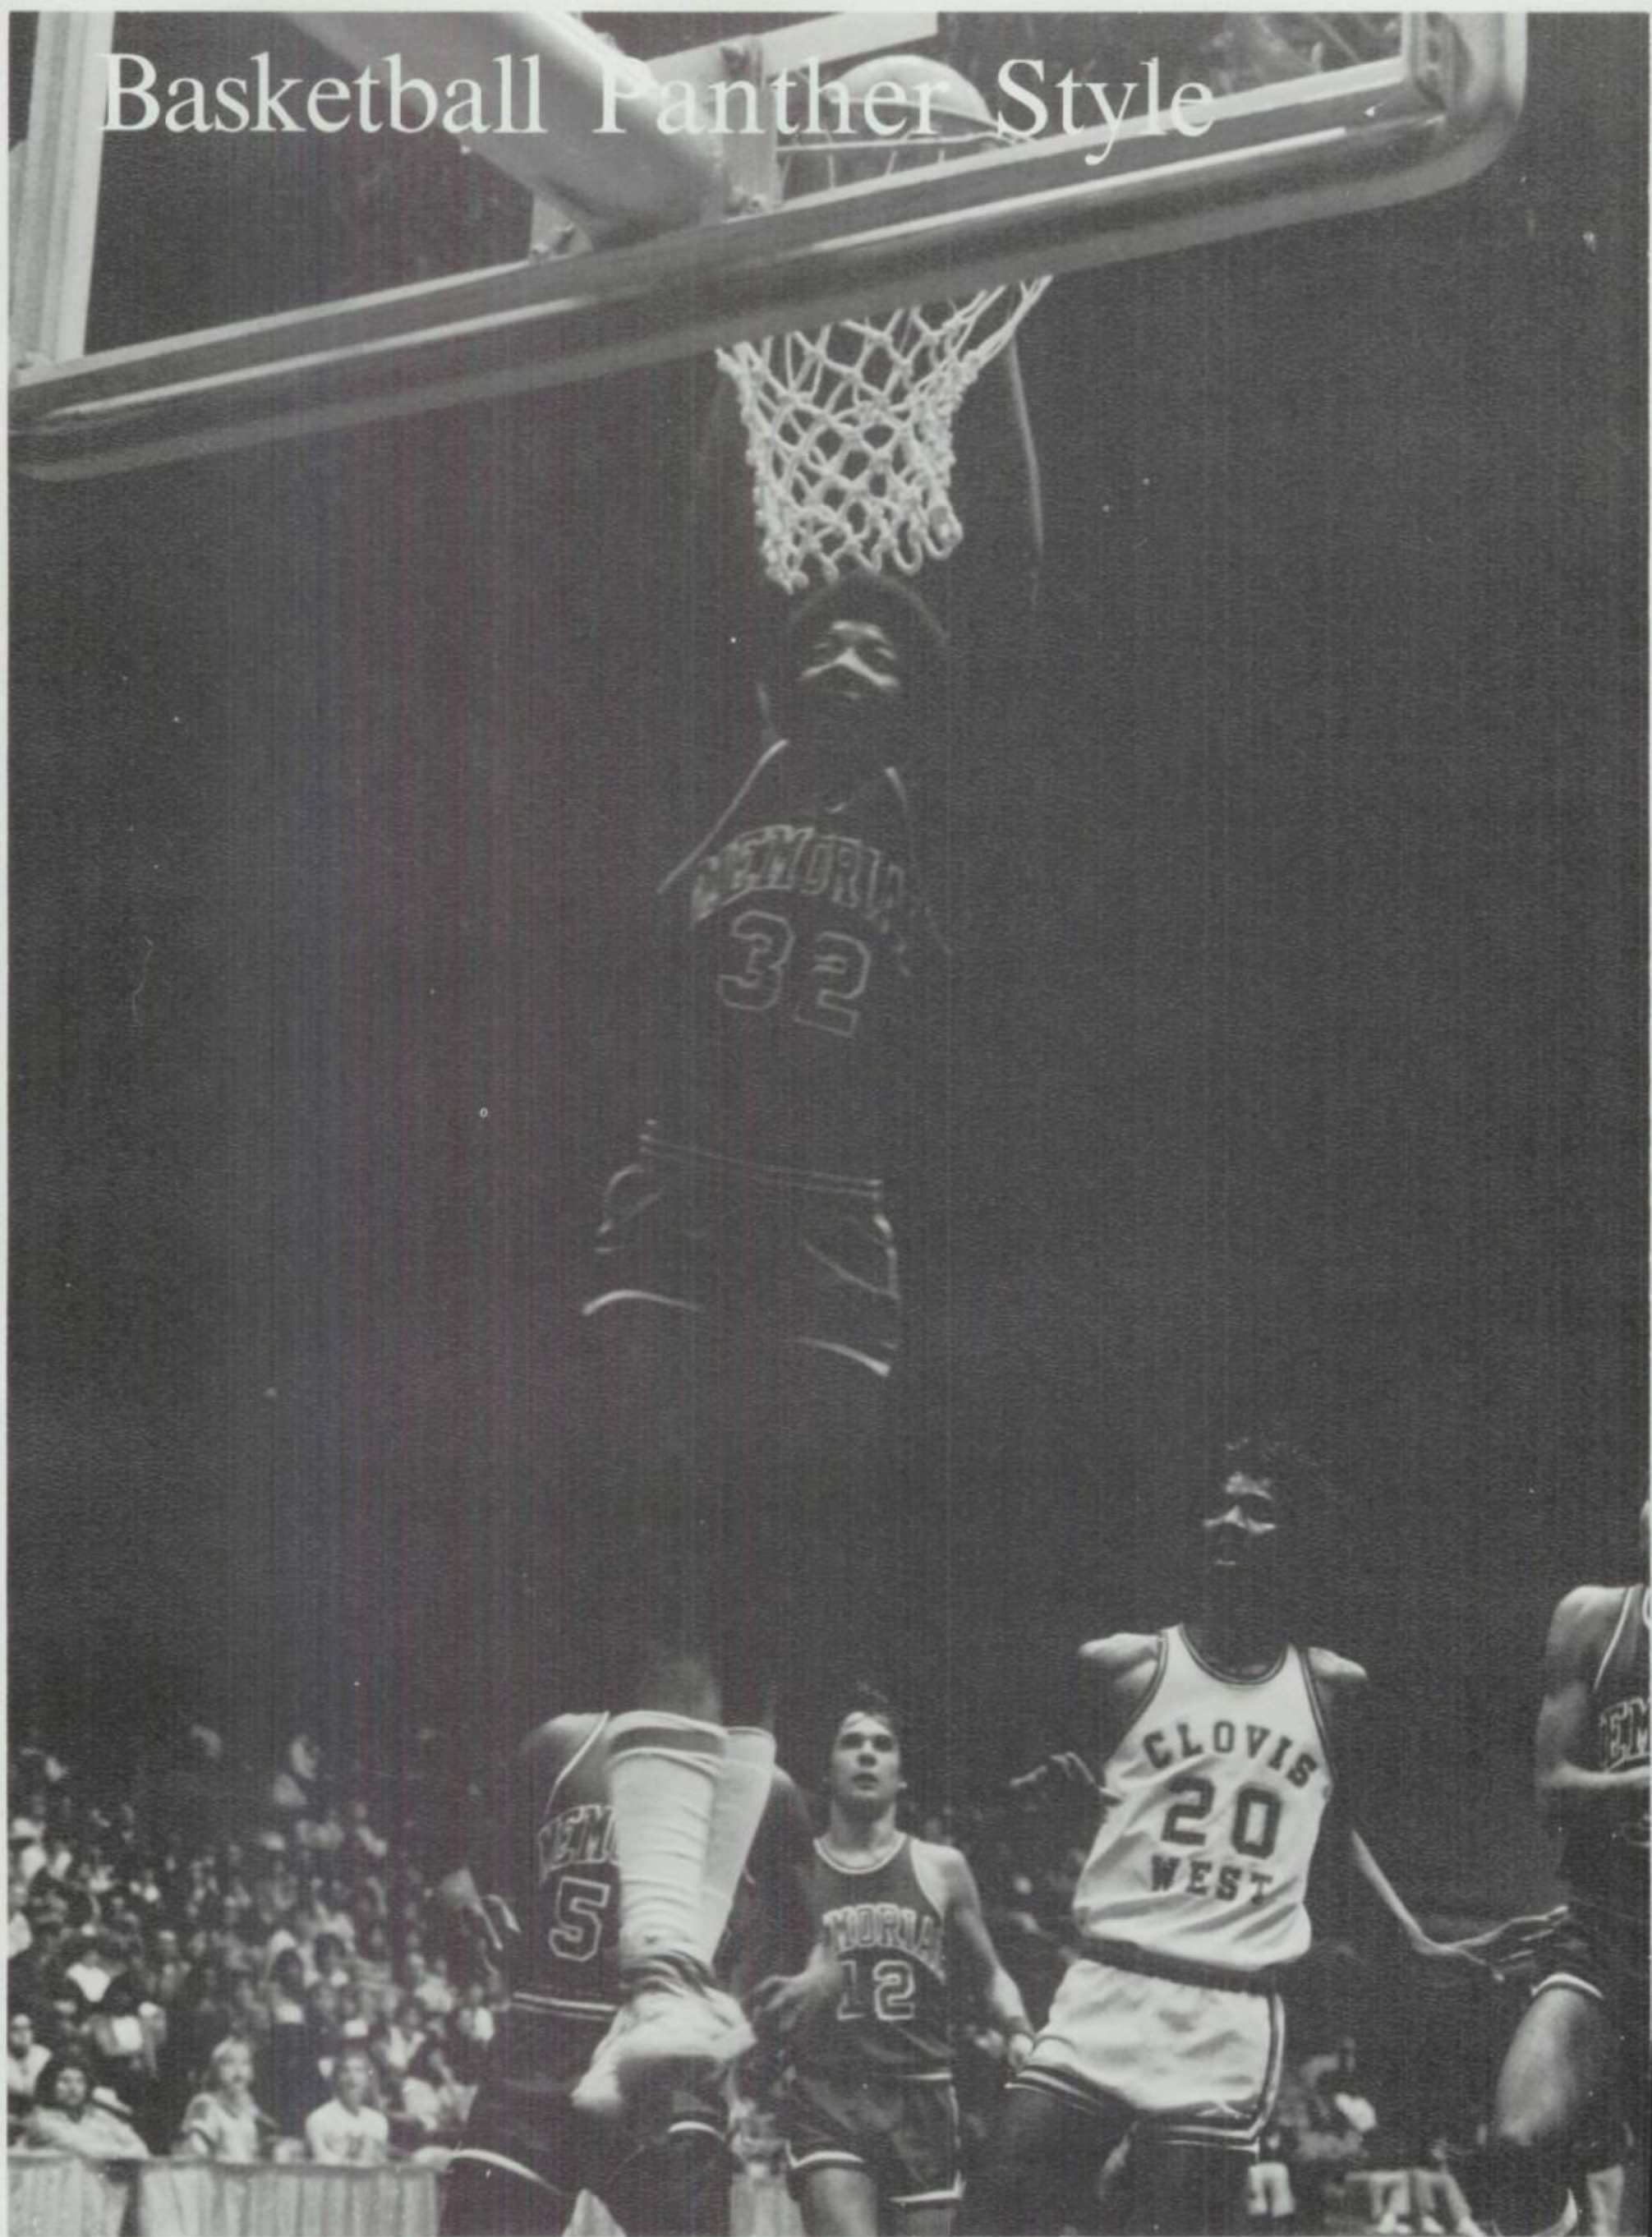

This year's SJM Varsity Soccer compiled a 2-10 record. They were not able to produce many wins, but their presence was felt by the league. Youth played a dominant role in the Panther attack. Out of 11 starters, only 3 were seniors. Edison and Roosevelt fell victim to the men booters. The highlight of the Panthers' season occurred when Mark Ryan and Richard Rios made the All-Tourney team for the Harold S. Young Classic. Mr. Jim Connelly guided the young kickers.

This year's Varsity Boys Basketball team gave their school plenty to cheer about. With repeated performances of dazzling teamwork, the Panthers plowed through the opposition to successfully defend their C.S.L. Crown. Headed by team standouts Lionel Boyce and Tony Smith, the Panthers finished league play with a 12-0 record to become the first undefeated Memorial basketball team since 1974.

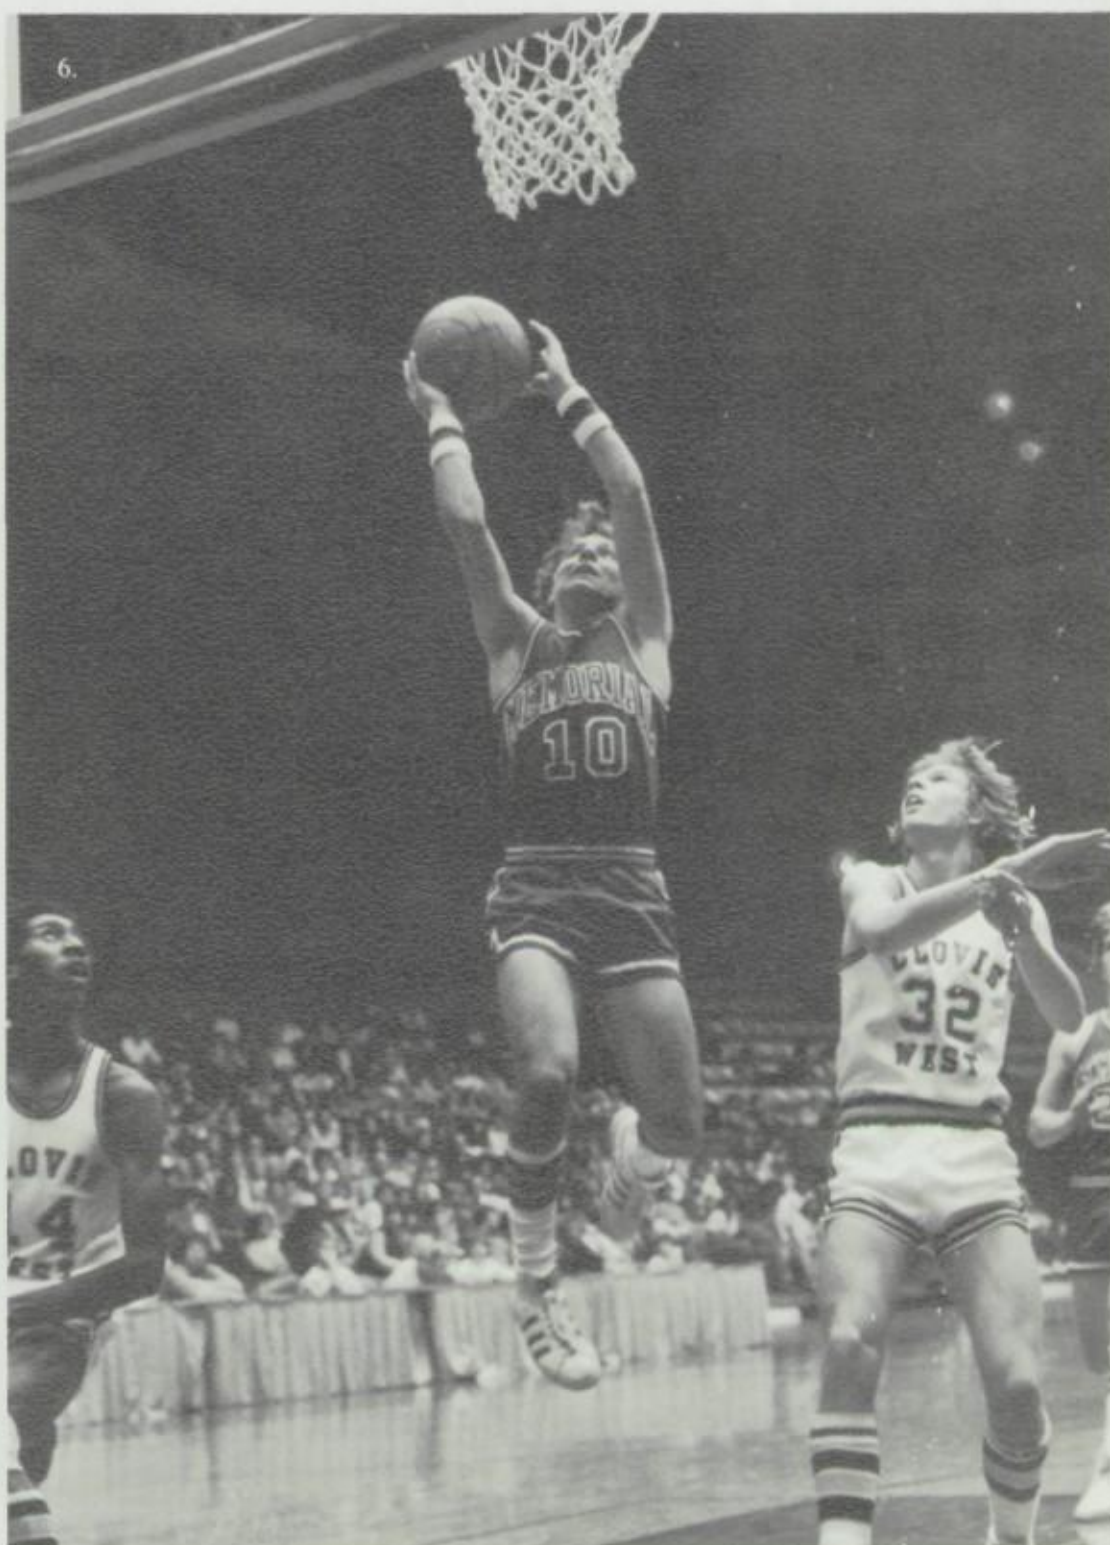

A lot of careful supervision and hard work on the part of three-year Head Coach Ramon Esquivel and assistant Ron Moore enable the Panthers to secure a valley playoff berth, thus setting the stage for an all-out drive aimed at Oakland and the T.O.C.

The JV Boys Basketball team enjoyed an excellent season in 1980-81. The team's overall record for the year was 16-3, and they were champions of the McLane-NYL Christmas Tournament, coming from behind to topple Edison 40-38. In league play, SJM finished with a 10-2 record and placed second behind Washington. A tenacious, hustling defense and a patterned, disciplined offense characterized the team this season. Co-captain Rick Ghimenti was the leading player on the team, along with Co-captain Evin Edwards who was the consistent team leader. Marty Oller, who led the team in rebounding and field-goal percentage, combined with Roy Wright and Bill Carrasco to control the boards. Shaun Manning led the team in free throw percentage, 95%. Chris Wiehl, Eric Charlson and Bruce MacLean added strength to the team.

Led by the careful supervision of Coach Mary Brown, and the outstanding play of seniors Anne Frye and Mary Ray, and freshman Kalen Wright, the 1980-81 Girls Varsity Basketball team won its eighth consecutive league title. The Panthers finished their league with a record of 12 wins and no losses, extending their remarkable league winning streak, over a period of eight years, to 90 wins. The team went into playoffs with a record of 18 wins against 5 losses; they are shooting for their fifth straight valley title.

The Junior Varsity Girls Basketball Team, coached by Miss Cindy Winstead, dominated their league this season. Led by sophomores Jane Danks, leading scorer, and Kathy McCarthy, leading rebounder, with freshmen playmakers Judy Hatch and Jill Polanco, the girls romped to a 11-1 league. Their over-all record was 12-3. In league play they had only one game in which they did not defeat their opponent by at least 18 points. Their strong bench and over-all teamwork made the girls superior to any opponent.

The Junior Class of '82 presented S.J.M. with the annual Junior Ring Ceremony. It was held at St. Therese on October 22. Class rings were presented to the juniors at this ceremony.

The rings were blessed at the mass. Then each student received their ring which was given to them by Brother Philip and Sister Scholastica. During the mass singing and readings were given by junior students. Marci Dutra and Stuart Johnson organized the ceremony with the help of other classmates and faculty.

NEW WAVE and ROCK

The Dances this year had both the thrill of victory and agony of defeat. Student Council sponsored a Dance Marathon, which was very successful. It had disc jockies and our own band, "Feedback." But due to circumstances beyond the Band's control, their "Frontier Hoe-down," wasn't the good fortune they had expected.

Other dances of the year were: Homecoming, Valentine's Day, and Senior Farewell and the equally important sock hops after the football and basketball games.

Masses

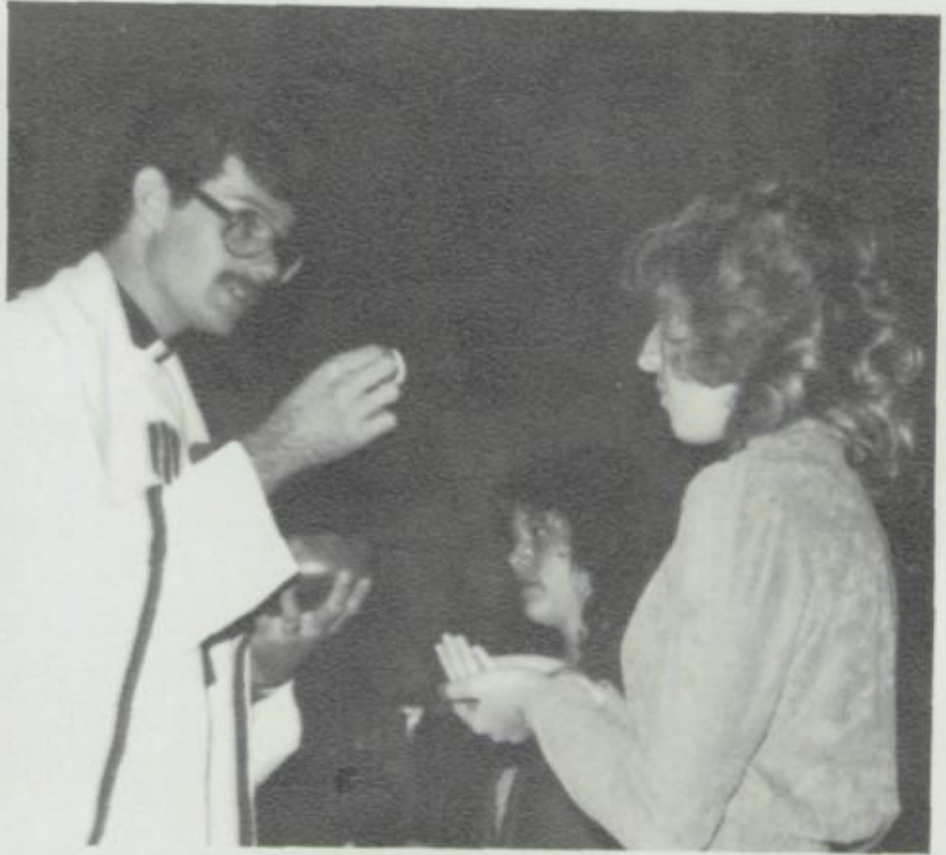

The students of S.J.M. unite together to participate in the many masses offered to the student body. Each of the masses are put together by several students and the members of the faculty.

The masses are set up to let the students and faculty participate by singing and reading together.

Father Rod Craig, Father Pat McCormick and Bishop Madera have all done a lot in saying our masses. They have done a fine job at the masses. The students have enjoyed them, and hope we will hear them say other fine masses.

BAND MARCHES ON

The 1980-81 Panther Band, led by drum major Maurice Bonetto, has become a major performing organization in the San Joaquin Valley. Under the direction of Mr. James O'Connor, it is the only Catholic high school performing in major parades and competitions presented in this valley. This year the Panther Band took second in the Old Timers Parade in Madera, placed second in the Caruthers Parade, and took third place in "B" Division at the Central California Band Review. The Band also competed and placed in various parades in the Fresno area and participated in the University of Pacific Band Day.

Lending leadership to our band were: President, Maureen O'Neil, Vice-President, Gary Colbert, and Secretary, Tina Fierro. Performing at all rallies and football games the band supplied much added enthusiasm for the fans. THINK SNOW . . .

Because the season was a late one, the Ski Club was not able to take their originally planned trip to Heavenly Valley. However, Mr. Franich (modertator) did drive up the school van with many members to China Peak. The Ski Club not only offered transportation up to the ski resorts, it also offered hot wax jobs for skis and sponsored a roller skating party to raise money.

THE AG CLUB

This year's Ag Club was again marked by change. Although its size of its membership remained, its activities slackened. Mr. Harris took over as moderator, Robert Dellavalle served as President, and Randy Silva served as Vice President. The Ag Club's famed "chuck wagon bake sale" brought in much of the clubs' resources. The major activity of the year was the officers' installation dinner.

WORKING TOGETHER TO HELP OTHERS

Moderated by Mr. Mahaney, the Key Club's objective was to serve the school and community, by its social and service activities.

C.S.F.

With new officers consisting of 4 seniors and 1 sophomore, Sr. Jean Francis F.S.C. hoped that the club would develop and become more involved. The new officers were determined to make the club successful and started off by planning fundraisers and social services. The officers found however, that there are many difficulties in running a club and reviving an apathetic group of people.

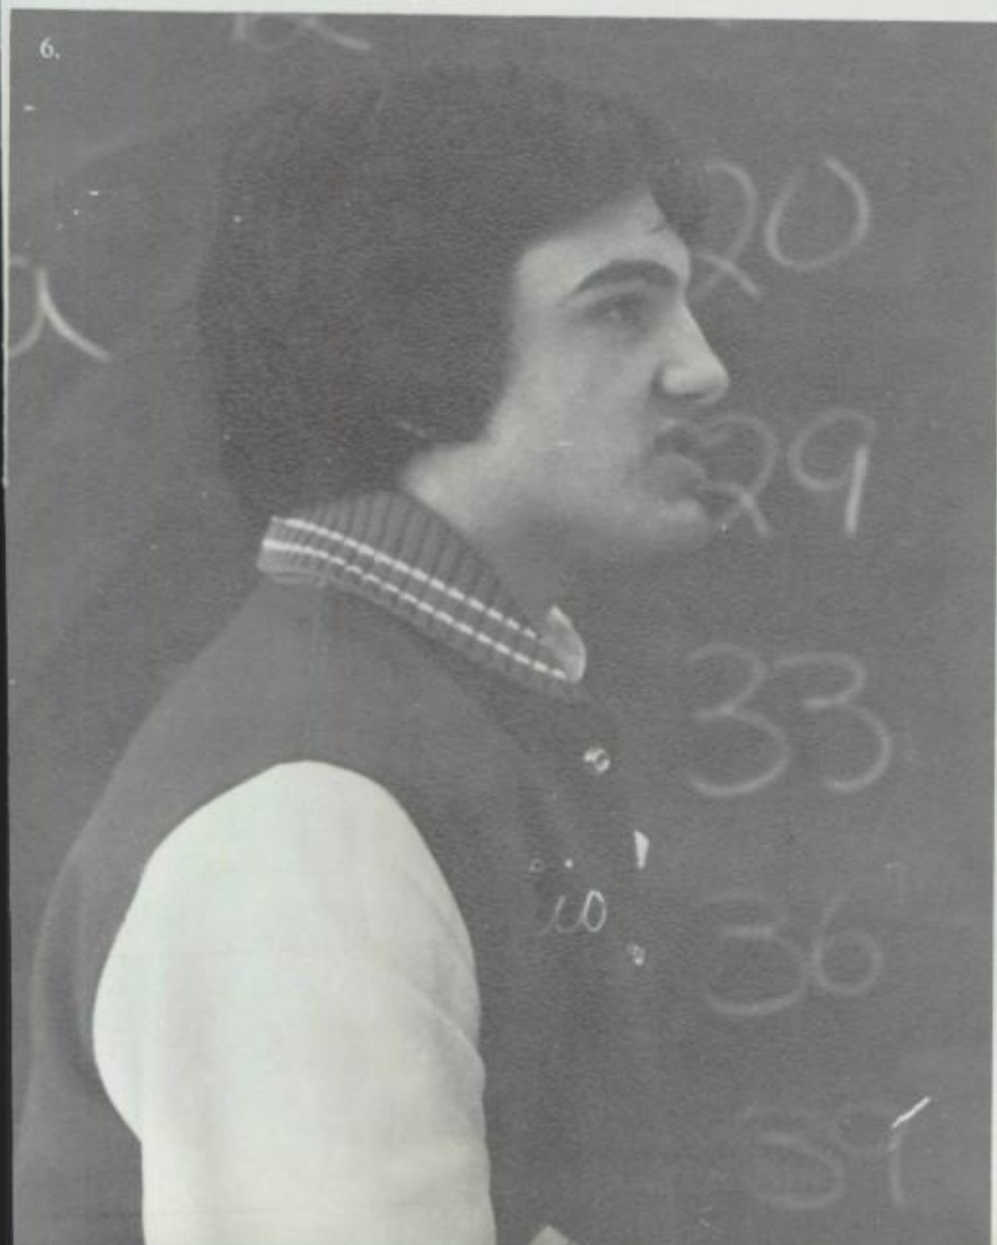

To start the year off, the club decided to enrich its finances and held a car wash in October. This activity proved to be a beneficial event and the members who participated had fun. The club made \$120. This money was used to buy the cords and tassels for the graduation of seal bearers.

Plaques were given to the officers during a special mass in St. Anne's Chapel. The turnout was small, but those members who attended found it to be a worthwhile event. Hopefully, this will become a tradition.

Another tradition that had almost been neglected last year was revived this year. Many people contributed to the C.S.F. toy drive by bringing in old toys and canned goods.

1. The C.S.F. members. 2. One wonders if Diane ever pays attention in class. 3. What? Me do housework. Never!!! 4. Mary Huelskamp pays close attention in Spanish class. 5. 1980-81 C.S.F. Foreign Language Clubs

New to SJM this year was the German Club, with moderator Mr. Michael Harris. The goals of this club were to increase membership and to heighten knowledge of the German language. While the club did little its first year, members made plans for future involvement, considering participation in the Foreign Language Fair and a trip to Germany.

The officers were Pres. Chris Hudson, Vice Pres. Peter Abaci, Sec. Mark Foraker, and Treas. Shelly Harding.

The French Club was very active this year. Under the leadership of Miss Beltramo, the club participated in a French Language Camp, took a trip to San Francisco for some authentic French food, caroled at the Nazareth House for Christmas, and sold ice cream at the Foreign Language Fair. The club also held bake sales and a raffle to raise money for its San Francisco outing.

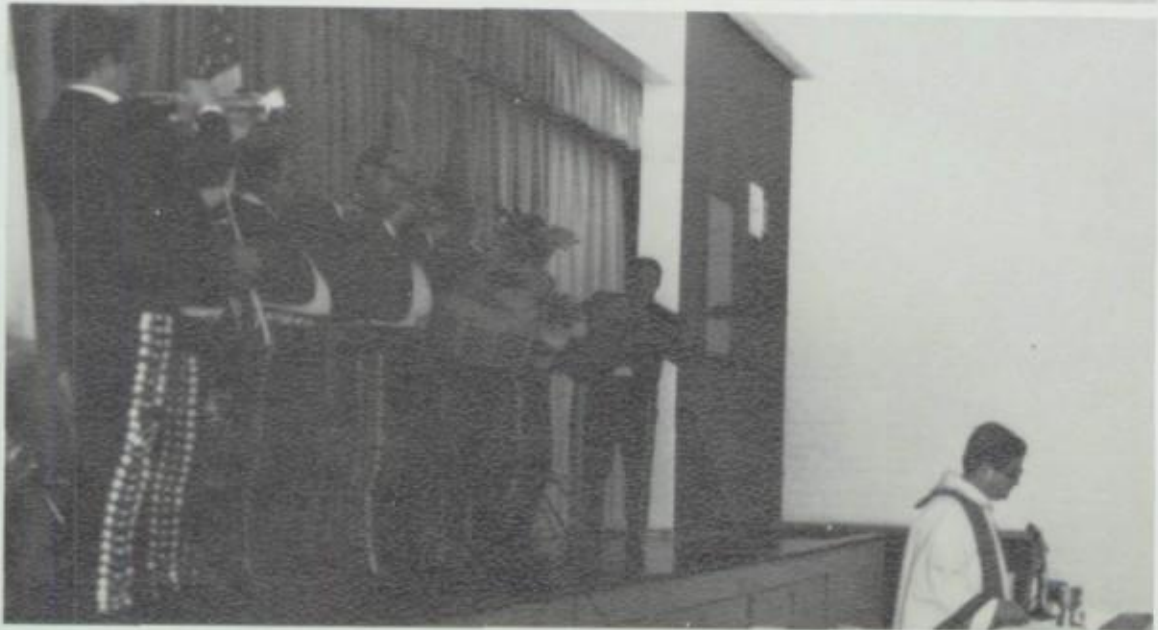

The officers of the French Club this year were Pres. Sean O'Keefe, Vice Pres. Kelli Hickie, Treas. Debbi Almonte and Debbie Gumina, and Sec. Susan Lopes.

With Senor Efren Diaz as moderator, the Spanish Club participated in various activities. The wine raffles were extremely successful, as was the tamale sale. The money netted from these and other fund raisers funded the Mariachi Mass and the Tiajuana trip.

The officers were Pres. Armando Hindman, Vice Pres. Diane Sanchez, Treas. Robert Dellavalle, Sec. Zarina Garcia, and Sgt. at Arms James Monreal.

In Action

The Forensics Club

This year marked the new beginning of a Debate Club at S.J.M.; a club which was long overdue in arising. Under the direction of Mr. Harris, the members strove to refine their debating skills placing emphasis on originality of style and uniformity of technique. Through inexperience and few members, the Debate Club, displayed signs of high forensics potential while participating in debates within the club.

Due to its new development, the Debate Club's range of team competition was limited to the general Fresno area.

Leading the club are: Debbie Chae, President; Liz Breen, Vice-President; Theresa Ferdinandi, Secretary; and Tad Frazier, Treasurer, all of whom are sophomores. The existence of a majority of underclassmen in the ranks of the club. It provides a foundation for its future growth at S.J.M.

The need for such a club is obvious. In today's world, a facility in disciplined oratory is a disive aid in the pursuit of a successful career.

1. Mr. Harris enjoys the formal with his wife. 2. Debate Club: Moderator, Mr. Harris; John Leal, Debbie Chae, Pat Cassidy, Liz Breen, and Theresa Ferdinandi. 3. Just look at the mean look and you wouldn't want to debate with John. 4. Theresa plans her next move.

"... OF THE STUDENTS,

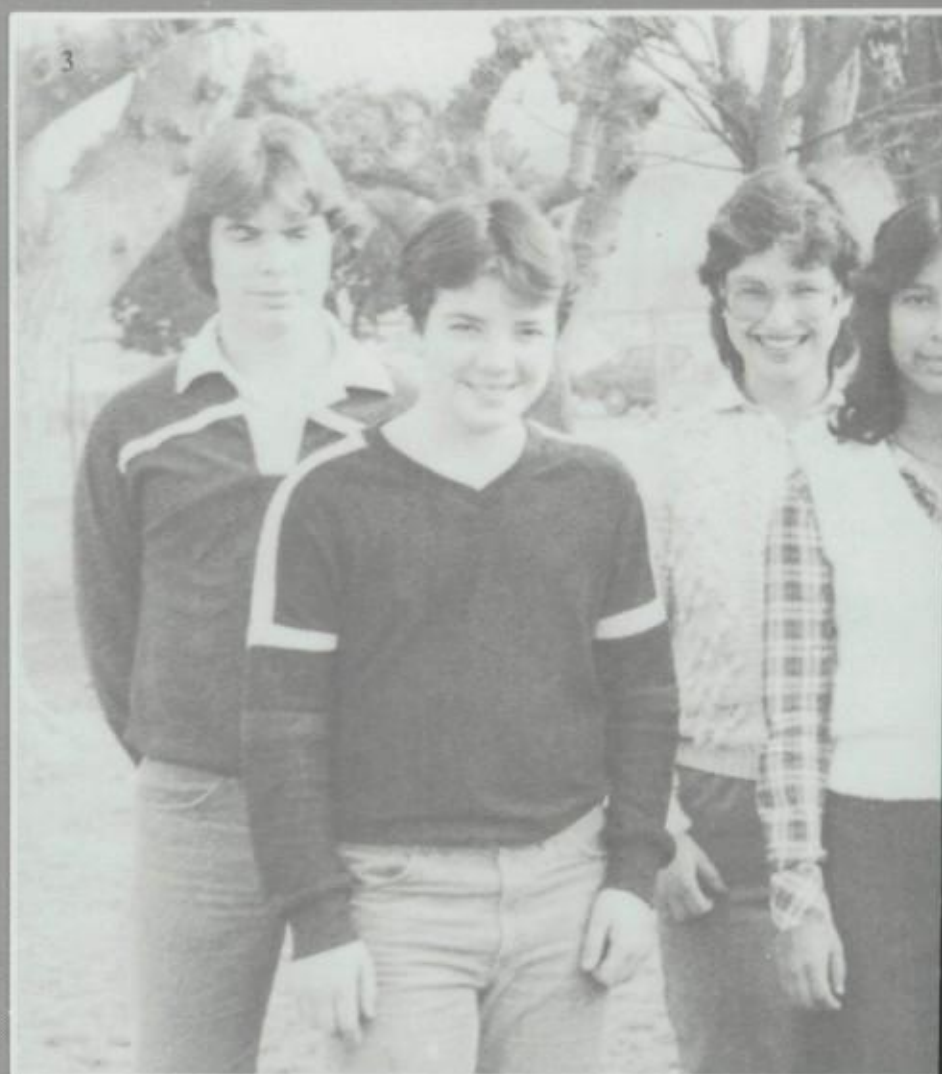

Student Council, this year, strived for unification in the student body. John Coyle, President; John Kitchen, Vice-President; Christine Lucas, Secretary; Chris Woolfe, Treasurer; and Gina Palmo, Comm. of Student Activities; in association with Moderator, Miss Hebert, endeavored this great task by having semi-weekly and monthly meetings, a dance marathon, MDA fund-raisers, student peer services, class meetings, a garden, Xmas Formal, and surveys and polls to clean up the cafeteria.

At student council meetings, the ASB officers, Miss Hebert, appointees, class and club representatives, and senators discussed, argued, and debated on important ideas and issues of the student body.

J.V. Cheerleaders

Aided by a team of spirited school mates, Claire Rowland and Mark Hinds were very successful in organizing this year's rallies. Much time is put into the skits, decorations and routines that make each rally unique. The enthusiasm shown at the rallies makes all the planning worthwhile to the committee.

The '80-'81 J.V. Cheerleaders lead the lower division in enthusiasm and spirit. The girls returned from Spirit Camp with superior and excellent ribbons as well as the coveted Spirit Stick.

The squad, consisting of Donna Cardell, Teresa Ferdinandi, Margaret Martinez, Cindy Lopez, Cheryl Mueller and captain Iliana John added much excitement to the games and rallies.

The 1980-81 "Even Dozen" Yell leader squad was the largest that Memorial had ever seen. These twelve energetic spirit leaders kept the crowds cheering at all football and basketball games and the student body alive at the rallies.

The Yell Leaders were very successful at the Santa Cruz Cheerleading Camp, receiving 36 superior ribbons and 12 excellent ribbons and also the spirit stick.

SJM Chorus

Though Chorus was considered an "easy" course, the members of this group took their art seriously. Mr. James O'Connor, director of the Fine Art Department arranged many performances. The annual Christmas program entitled, "Sing We Now of Christmas", was held in St. Anne's Chapel, and the chorus lent a hand in the Drama Club production of *A Christmas Carol*.

Not only did students participate in group singing, they learned the basics of music. Critique and exploration of different styles of music were also reviewed. Mr. O'Conner hoped to provide audiences with enjoyable entertainment. By judging the results, he succeeded.

Jr. LARCS

The purpose of Jr. LARCS is to render services to the retarded citizens of Fresno, to promote community education, and to assist the LARC Guild.

The club sponsored two dances for the retarded, toured Addicott School, decorated for the bowling tournament, worked at the Rata carnival, assisted with "Special Olympics", and supported two fund raisers. Jr. LARCS has experienced a rewarding and memorable year.

After a year of virtual non-publication, the Red and Blue came back, stronger than ever. With the determination of advisor, Mrs. Jeanette Frye, and the Red and Blue staff, the S.J.M. student body once again could enjoy its school newspaper. During the summer of 1980, the editors and Mrs. Frye attended a journalism workshop in Santa Barbara. This workshop expanded the journalistic skills of the staff.

Because of the size of the journalism class, the work load of the staff had been heavy and, at times, seemingly unending. After every issue, however, the efforts proved to be rewarding. As Mrs. Frye stated, "The feedback and the thrill of putting out the paper outweighed the hard work anytime."

The Red and Blue published six issues, each reflecting the determination of its staff.

At the request of the Diocesan Office of Education, the seventh and eighth graders of this diocese received the six issues. This office also funded the newspaper.

This year's staff included: Esther Casarez, Mayo Ryan, Tom Ferdinand, Mary King, John Schattinger, Tom Ferrel, Gina Barsotti, Sarah Williams, and George Hutchinson.

1. The finished product.
2. "Look, Mayo, it's like this..."

Yearbook

1981 Spirit Staff

In tree: Laura DeLaTorre, Mitch Yost, Matt Tarr. Standing: Donna Cardell, Liz Breen, Laurie Sadler, Mark Foraker, Therese Mendes, Kenny Hatch, Kurt Reasoner, Brian Michels, Rob O'Rourke, Jim Monreal, Cindy Crom, Rod DeLuca, Mark Ryan, and Mike Defendis. Seated (front row): Margaret Lambright, John Leal, RaeAnn Fimbres, Teresa Petrutis, Lynn Emerzian, and Paulette Duarte.

The SJM Yearbook experienced many changes during the 1980-81 year. Under the direction of moderator Miss Esther Gutierrez, our busy staff experimented with a publications class in order to save time. The Spirit of '81 switched companies as well, employing the services of Herff Jones rather than Josten's. Even though we used a different approach, the same tradition of dedication and hard work remained untouched.

It may sound like fun to put together a yearbook, but most people don't realize how much effort goes into this annual task. In the midst of constant chaos, staff members worked tirelessly to meet the dreaded deadlines as nervous editors tried to recover lost assignments. Many extra hours during vacations and weekends were sacrificed for promoting the book, selling ads, drawing layouts, typing copy, de-

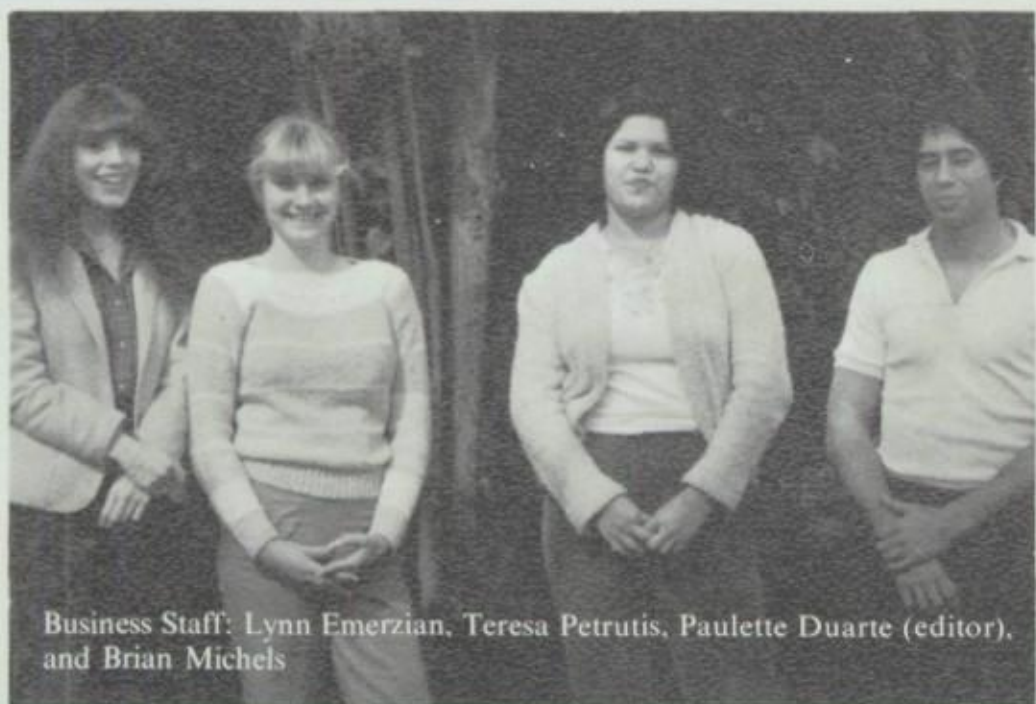

veloping pictures, and doing many "little" jobs that never seemed to end. Of course, there were lighter moments when members of the staff fought over the gangbooks or the elusive rulers or the single electric typewriter that didn't work well anyway. The word "companionship" took on a new meaning as frantic staff members, each looking for advice, crowded into the already full huddle around Miss Gutierrez' desk. Hearing the familiar refrain of "Who took my pen?!" or "Sell those ads!", we all maintained our sanity and kept going until the last pages were safely on their way to the company for publication.

You hold in your hands a special book of memories. High school years will never come again, so we, the Spirit Staff of '81, preserved them for you.

The Way It Was

As time passed this year, the world saw many changes. People watched them, and changed as well, as these events influenced their lives.

In America, people united and yellow ribbons appeared everywhere as the American hostages came home after 444 days of captivity in Iran.

Other events played a major part in the history of the world. A war between Iraq and Iran continued, making these countries a political hotspot between East and West. Workers in Poland gathered under the leadership of Lech Walesa, and formed labor unions, thus fighting for their rights under Soviet leadership. Other rebellions were seen in Spain and in El Salvador, and the Gang of Four trial was held in Peking. An earthquake devastated a large part of Italy. And, in England, Prince Charles announced his engagement to Lady Diana Spencer.

The United States saw Jimmy Carter lose the presidential race to Ronald Reagan, an ex-actor and former governor of California, who won in a landslide victory. With his election, Republicans gained control of the Senate and strengthened their hold in the House of Representatives. Reagan's victory became a symbol of America's swing toward conservatism, and his appointment of Alexander Haig as Secretary of State shocked many people. The Moral Majority gained influence in politics, while top government officials were exposed in the ABSCAM cover-up. Citizens in Atlanta joined the search for the murderer(s) of nineteen black children, and Las Vegas became the city of towering infernos when fires broke out in the MGM Grand Hotel and the Las Vegas Hilton. Voyager I gave the country a new look at Saturn, and the Space Shuttle program continued. In sports, the Phillies took the World Series from the Kansas City Royals, Oakland won the Super Bowl, and Muhammad Ali lost his shot at the title to defender Larry Holmes.

Death took its toll as well. A generation mourned when former Beatle John Lennon was shot outside of his apartment. Actress Mae West also died, as did actors Steve McQueen and Richard Boone. Others who died included Colonel Harland Sanders, originator of the Kentucky Fried Chicken recipe, Eleanor Grace McClatchy, former publisher of the Fresno Bee, Dorothy Day, leader of the Catholic Workers Movement, and the actors who played Styxie and Buckwheat in the "Our Gang" series.

On the state and local level, people saw a rockslide in Yosemite, Three Rocks residents fought to keep their homes, the hot weather in October was followed by some of the worst fog in years, officials looked for a place for the morgue, work started on Highway 41, the new stadium was completed, the Fresno crime rate rose, and Mayor Dan Whitehurst held his office.

At San Joaquin Memorial, the Senior girls got their own dress code, the lower division students had a food fight and suffered the consequences, the Brothers celebrated the 300th anniversary of the order and got a new house, Mrs. Rauscher spent her last year at the school, and the Red and Blue started again.

Fans, the Neilson workers, and producers frantically waited for the 1980 Fall television season to start, as the Actor's Guild held out in a strike. When the season did start, "Dallas" fans sat on the edge of their seats for the answer to the question "Who shot J. R.?" The answer came on October 21, when Kristen Shepard was revealed as the culprit. Another shock came when "Disney's Wonderful World" was cancelled after 27 seasons, and when Walter Cronkite retired after almost 20 years with the CBS evening news. "Charlie's Angels" received its sixth new Angel, Tanya Roberts, Ron Howard left "Happy Days" to work for NBC, "The Waltons" spent their last season, and "Shogun" was the most watched miniseries in television history.

Block-buster movies of the year included "Blue Lagoon", "Airplane", "Ordinary People", "Stir Crazy", "Private Benjamin", "The Elephant Man", "The Jazz Singer", and "The Empire Strikes Back", the sequel to "Star Wars".

With the American hostage crisis dominating world issues, the song "Bomb Iran" was released. The top hits of 1980-81 were "Call Me" and "Just Another Brick in the Wall". New Wave grew in popularity throughout the year. Leading groups changed as Boston broke up, and Led Zeppelin lost drummer John Bonham.

Top fashion designers looked back to the 40's and used its styles, including the hairstyles. Top Siders, Vans, vaurnets, "izod alligator world", Ocean Pacific, cowboy hats, "501's" and backpacks appeared on the scene, and became this year's fads.

All of these happenings made this past year unique, and well worth remembering. Time doesn't stop, but it can be recorded.

As I look back at the production of this book, I sometimes wonder why I decided to take on the job as Editor-in-chief, and the answer I find is that I must have been slightly crazy. Still, I wouldn't trade the experience for anything, because I know that I'll probably never have the same chance to work on an annual. Right now, I want to take the time to thank the people who helped me put this book together.

Thanks go first to God, who kept me going when the pressures started to mount and I thought that it would never be finished.

Next, thanks to all the people who had something to do with the pictures in this book - To Mr. Ficarra, who did the wonderful Senior portraits and the Homecoming pictures; to Mr. Fimbres for all of the film; to Henry Gutierrez, who stayed up late to develop all of the pictures we needed for the deadlines and for all of his advice; and to the photographers who tried to be on hand for everything so that we could have a photo.

Thanks to all of the advertisers who financed the book, and to all of those staff members who sacrificed time to sell ads.

Thanks to everyone in the class and those outside of it. You did the work, and it's good. This book would not be here if it weren't for you. Thanks for drawing the layouts, choosing the pictures, typing the copy, and for doing all of the other things that had to be done. I especially want to thank Margaret for writing and re-writing the copy until I was satisfied, John for his cartoons and for always making the picture smaller, Matt for his caustic sense of humor, and everyone who worked on the Sports section. It's fantastic!

Thanks to you, Rodney. I wouldn't have any other partner. You always managed to do a little bit more. Thanks for running up the huge phone bill at the beginning of the year when we first started looking for ideas, and for all of the time that you spent this summer. Thanks for just being around and for everything that you did. There's no way for me to list it all.

Finally, thanks go to you, Miss Gutierrez, for taking on the biggest part of the responsibility. You ran it, not I. The Spirit of '81 wouldn't have happened except for all of the work you did. Thanks for keeping me busy, and teaching me what had to be done.

I'm very proud of this book, but I didn't do it. Often, I only looked on while you, the Spirit Staff, put it together, helping only when you needed it. Take pride in the work you did, for you made this book.

As I have finished my second year working on the Spirit Yearbook Staff, I stop and realize what I have witnessed. I have witnessed many different people put together one "heck" of a yearbook; one that is not like any other, which is individual in its personality. It would be wrong to say that the yearbook was all peaches and cream, because it wasn't. We all had our differences, but we put them aside to join as body to produce one cause: The Spirit of '81. And with the production of the book goes many thanks. To these people, I owe a debt of gratitude:

Mr. Ficarra, for the Senior portraits, class picture, and Homecoming. Mr. Fimbres, for donating many rolls of film. Mr. Tarr, for color prints of the games. Henry Gutierrez, for giving us advise, keeping us in line, and doing rolls of gangs (1285), and photos needed hrs. before a deadline. The Class editors, who gave their all in creating their section to capture the best of their class. The Sports staff, for making it one of the best sections. The Business staff, for keeping in the blue not the red. John Leal, for reproducing works of art. Margaret Lambright, for reading copy and Therese Sanchez for the panther on the sports div. page. For all the people in the class, thanks for all the layout drawing, negative filing and picture cropping. The photographers, thanks for the pictures and developing. To my Co-Editor, Therese Mendes, for adding her creativity, English mechanics, and friendship to me and the Yearbook. And together we headed a fantastic staff. To my personal friends, thanks for not letting me commit suicide. But none of this would be possible without one lady, Miss Gutierrez, who overwhelmingly accepted the position of moderator with her coaching. She kept us on top and when we were sinking, she made us make it back. She gave up her time and phone number to put the yrbk. together.

AUTOGRAPHS

As we come to the end of this year, we cannot help but stop and reflect
on what it has meant to us. This year served many purposes.
For some, it was a beginning and for others it was a closing.

It was a time for forming dreams, living reality, and
cherishing memories. Memories of: Freshmen smother-
ed in shaving cream by the Seniors, Vars. Foot-
ball 2nd in league, Vars. Volleyball 1st
in league, Juniors receiving their
class rings, and Seniors, Juniors,
and Sophomores on Retreat:
dances, from sock-hops
to formals, friends,
the "30 minute
lunch dash

by the
Seniors, sem-
ester finals,
freshmen finding
their way around
detention, masses,
swimming in ice cold
water, waiting hours in
the candy line, sitting in
classrooms on hot summer days,
another Founder's Day, clubs and
organizations, rallies, parties, TOC,
Senior Farewell, and final event of the
year: GRADUATION! This is particularly
special to the Senior class for they had

discovered that:

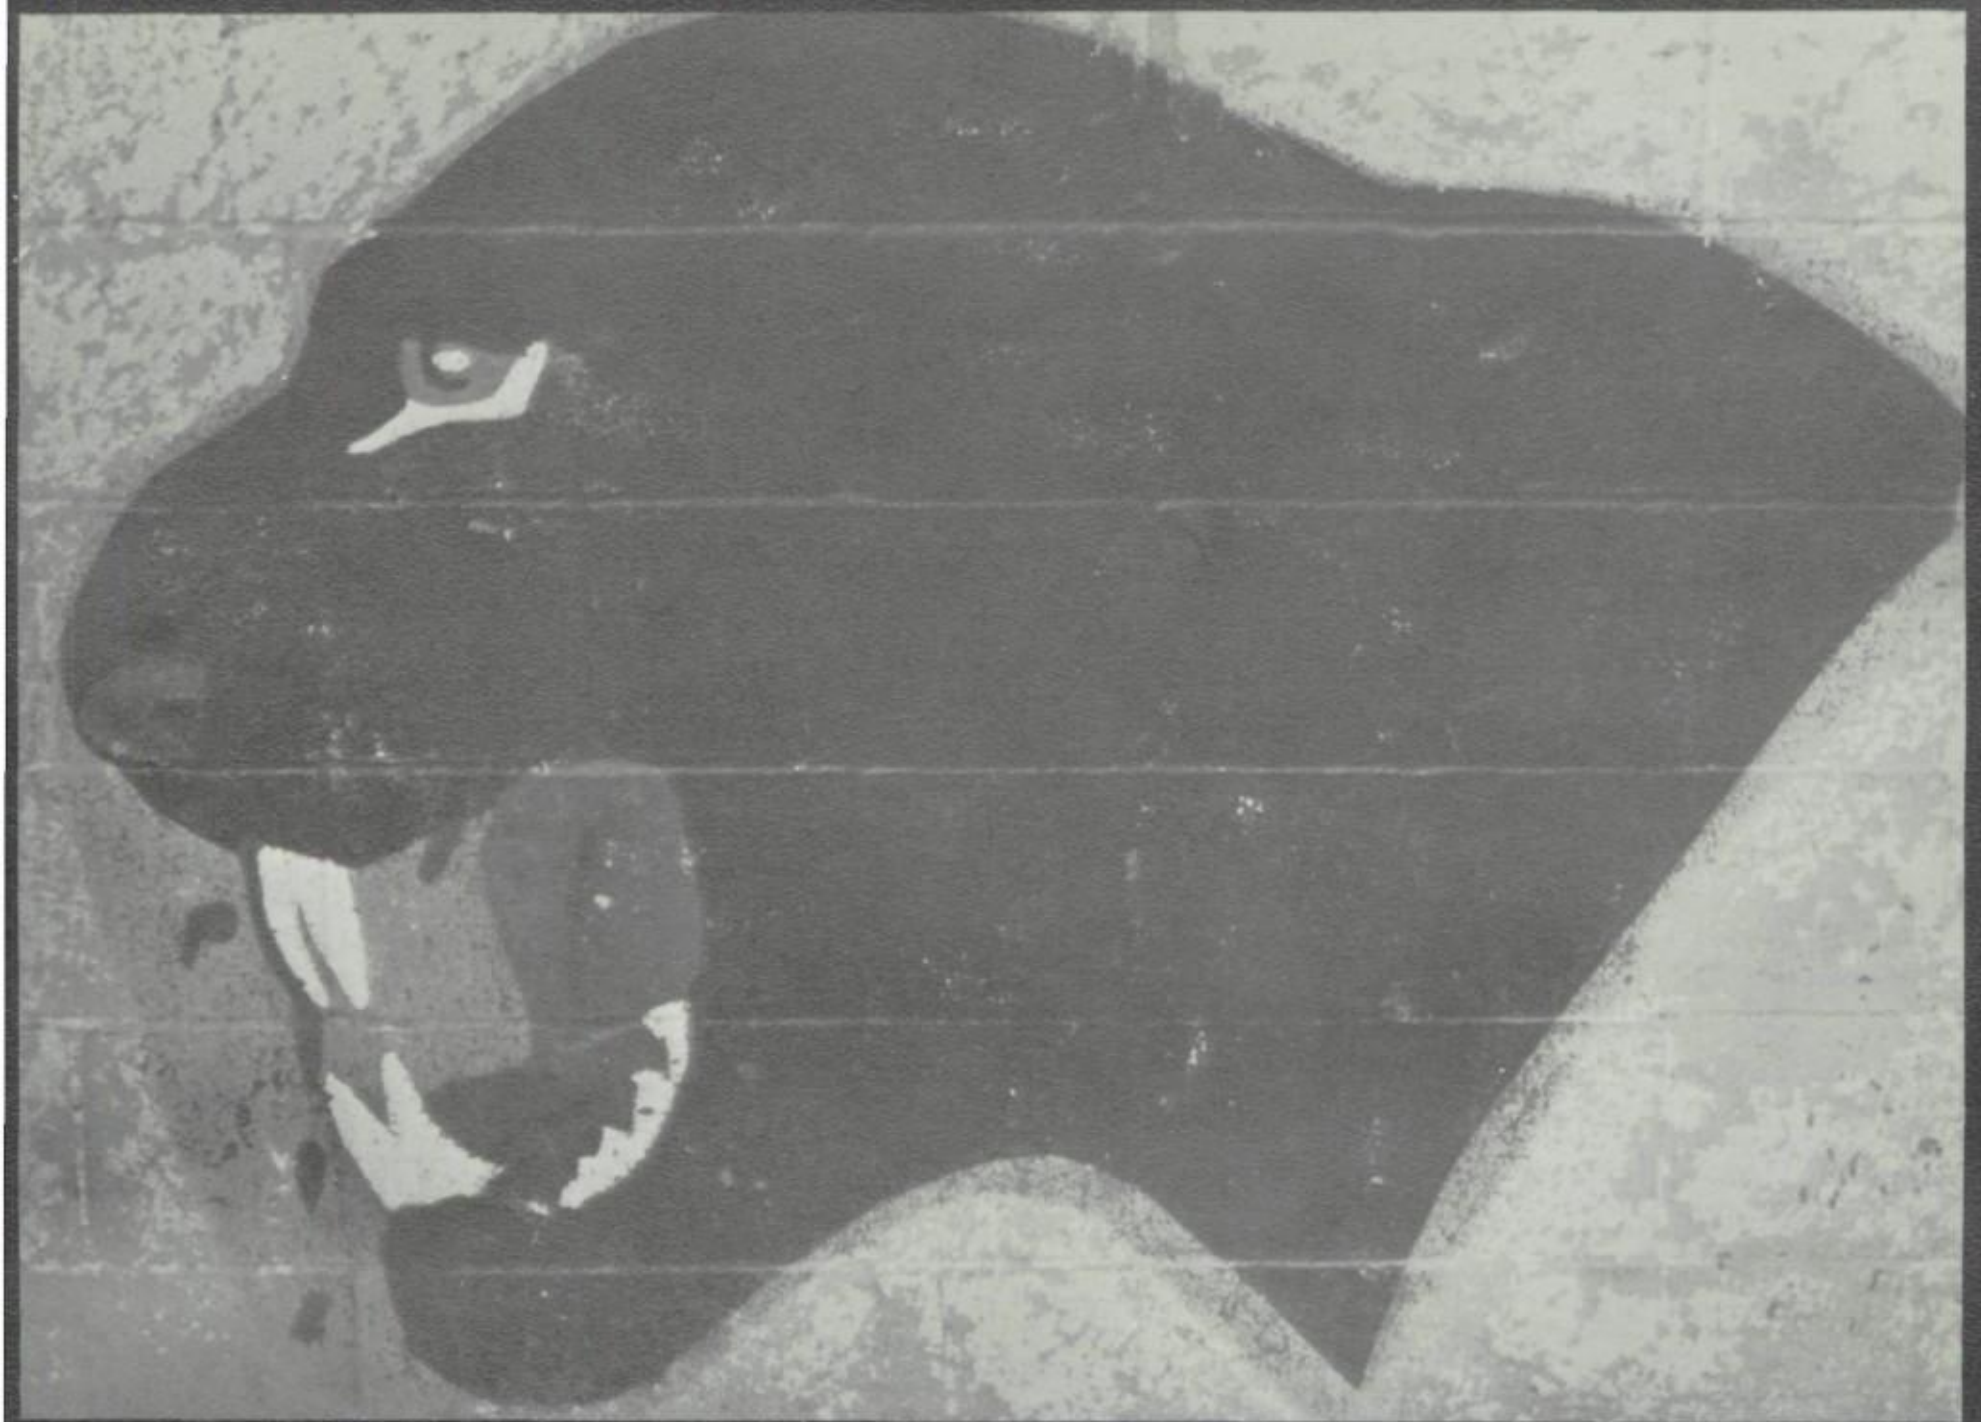

Memories light the corners of my mind. Misty water colored memories of the way we were.
Scattered pictures of the smiles we left behind. Smiles we gave to one another for the way we were.
Can it be that it was all so simple then or has time rewritten every line? If we had the chance to do it all again
tell me would we ... could we ... ?

Memories may be beautiful and yet what's too painful to remember, we simply choose to forget. So it is the
laughter ... we will remember ... the way we were ... the way we were ... the way we were.
